DEDICATION . . .

St. Lukes School of Nursing 1947

Humbolt County High School, 1944

Below: Mrs. Thomas in November, 1949

Nevada, 1941

November, 1949

We, the members of the 1974 Promethean Staff, are proud to dedicate this yearbook to a lady who has been at Wilcox since 1962. It is our way of saying thank you for her 12 years of service to the students of Wilcox High.

Therefore, we dedicate this copy of the 1974 Promethean to Mrs. Joye Thomas with our sincere appreciation and thanks.

Nevada, 1935

Mrs. Thomas at work—Wilcox, 1973

Mrs. Thomas was born on June 26, 1926. She attended both Humbolt County High School where she won a National Award from the Veterans of Foreign Wars for an essay on Peace—and St. Luke's Hospital School of Nursing where she was chosen Valedictorian of her class.

In 1961, she graduated from San Francisco State with a Bachelor of Arts degree. Presently, she is enrolled at Santa Clara University Graduate School, and she also has additional graduate units from UC—Santa Cruz.

She was married to Mr. Dutch Thomas on March 27, 1949. Her family consists of: a son, Andy, who is a graduate of Santa Clara University; a daughter, Robin, who is a senior at U.C. Davis; and another daughter, Nancy, who is a sophomore at Chico State University.

Mrs. Thomas started working at Wilcox in January, 1962.

DESIDERATA

GO PLACIDLY AMID THE NOISE & HASTE, & REMEMBER WHAT PEACE THERE MAY BE IN SILENCE. AS FAR AS POSSIBLE WITHOUT surrender be on good terms with all persons. Speak your truth quietly & clearly; and listen to others, even the dull & ignorant; they too have their story. ❧ Avoid loud & aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain & bitter; for always there will be greater & lesser persons than yourself. Enjoy your achievements as well as your plans. ❧ Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism. ❧ Be yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity & disenchantment it is perennial as the grass. ❧ Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue & loneliness. Beyond a wholesome discipline, be gentle with yourself. ❧ You are a child of the universe, no less than the trees & the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. ❧ Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors & aspirations, in the noisy confusion of life keep peace with your soul. ❧ With all its sham, drudgery & broken dreams, it is still a beautiful world. Be careful. Strive to be happy. ❧ ❧

Listen and learn from the students, as Rich Cardenas is learning from Ron Andrade (r) here.

Words of wisdom from Mr. Luchetti for those who listen.
Eric Burggraf goes placidly and with a smile.

Zoe Ann Rogers agrees, while Mrs. S. Martin restrains herself.

GO PLACIDLY AMID THE NOISE & HASTE, & REMEMBER WHAT PEACE THERE MAY BE IN SILENCE. AS FAR AS POSSIBLE WITHOUT

surrender be on good terms with all persons. Speak your truth quietly & clearly; and listen to others, even the dull & ignorant; they too have their story.

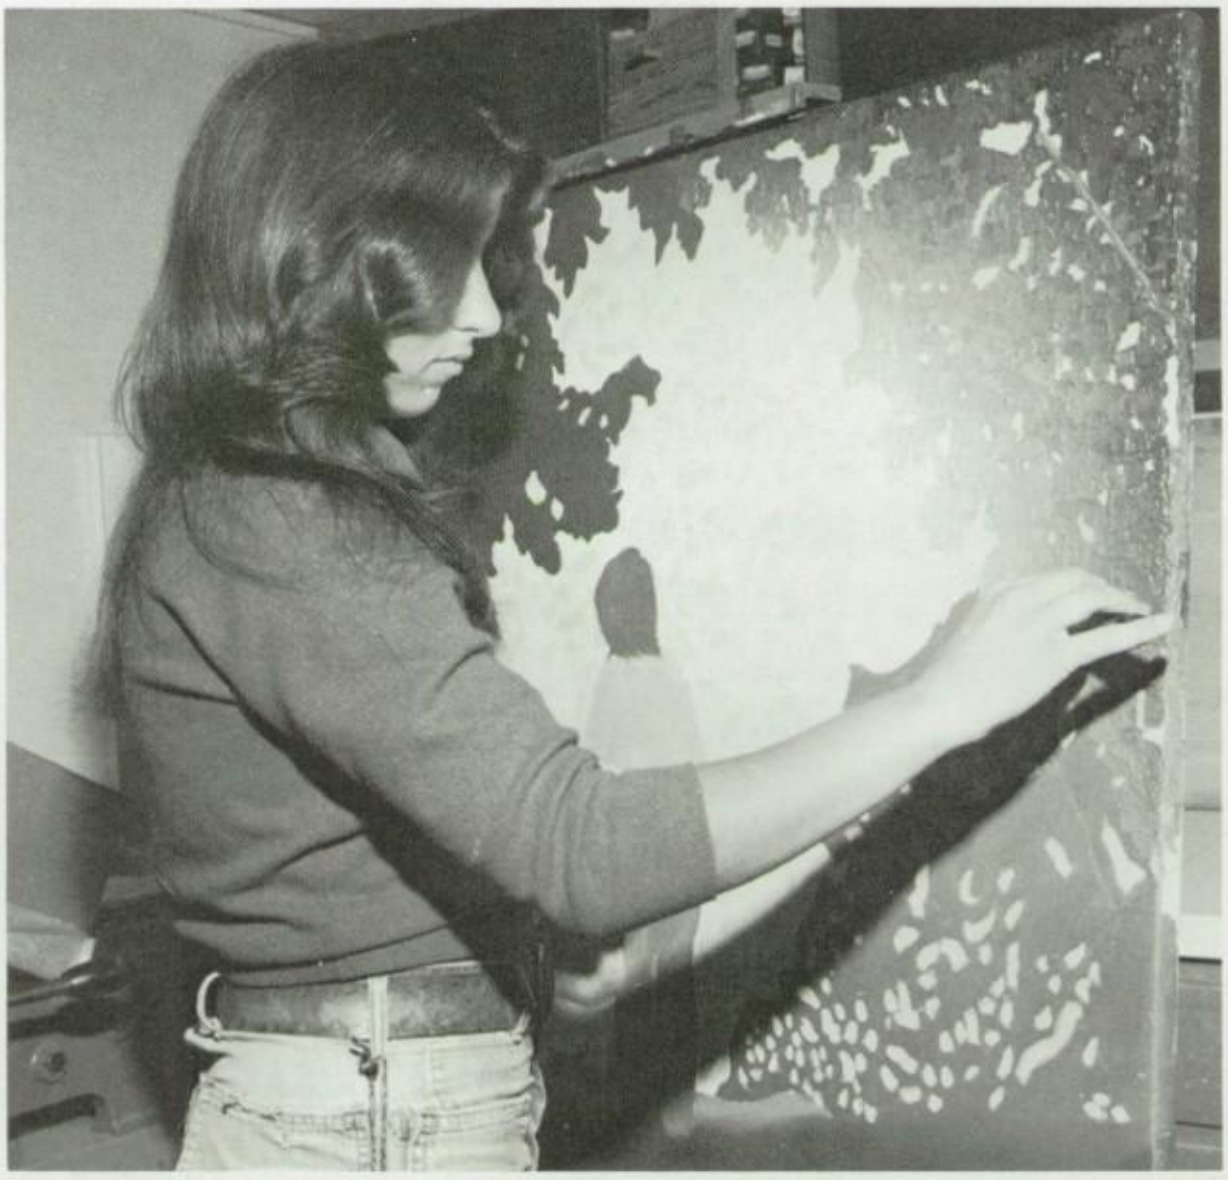
SPEAK YOUR TRUTH
LISTEN TO OTHERS

Avoid loud and agressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain and bitter, for always there will be greater and lesser persons than yourself.

ENJOY YOUR ACHIEVEMENTS AS WELL AS YOUR PLANS.

Wilcox . . . That's our school . . .

Reenie Nordin enjoys the Homecoming Dance.



Diane Escobar, one of Wilcox' top art students, demonstrates her talent with oil paints.

Mrs. Henderson with three students learning about vocational opportunities at the Occupation Information Center.

Mrs. Castellucci helps a student with his problems.

Debbie Ferreira and Rick Ulmer enjoy lunch in the Quad with other students.

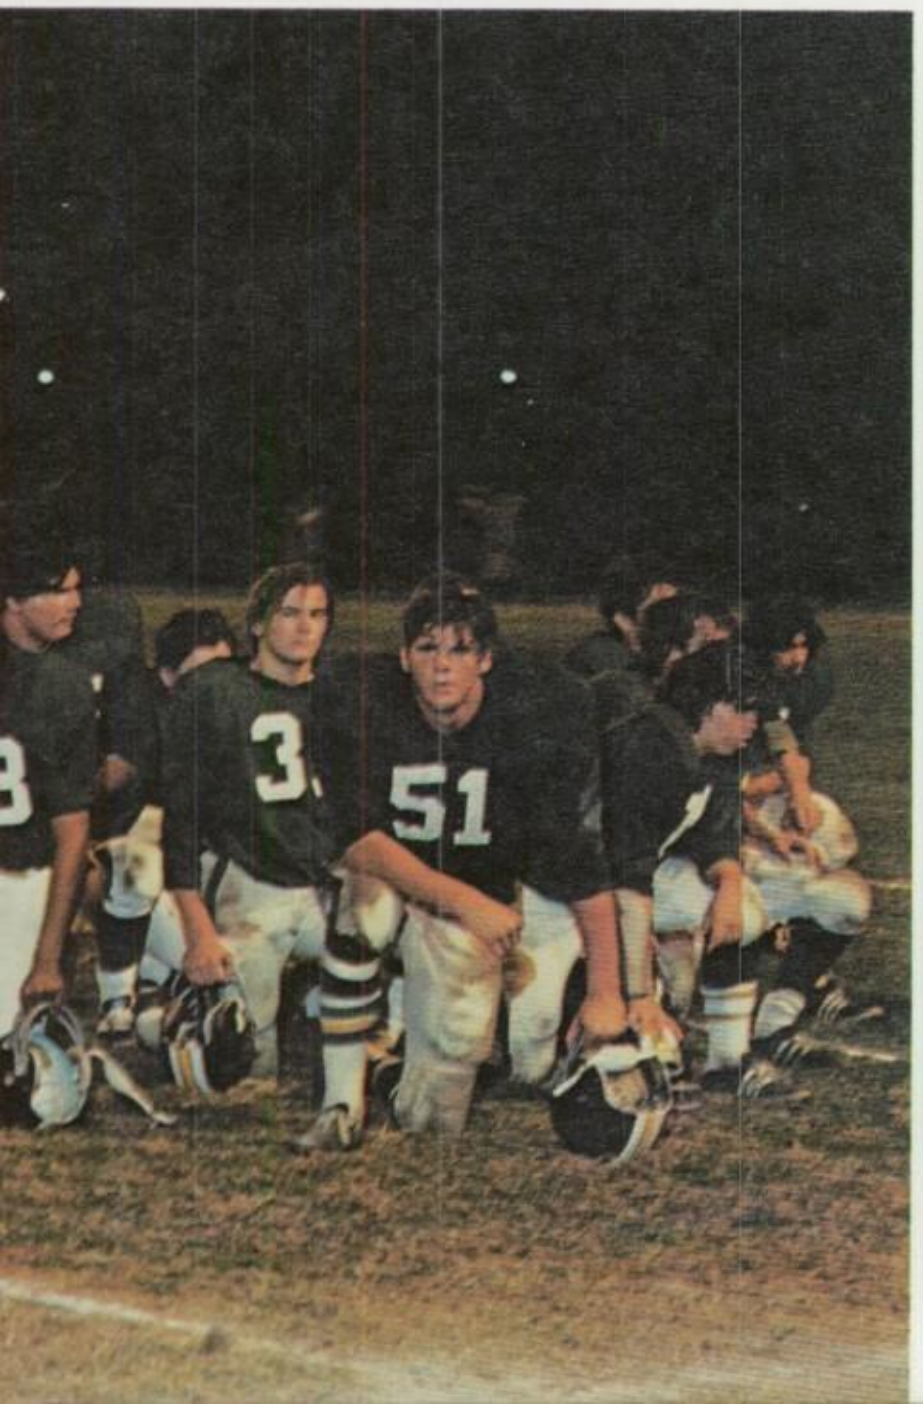
Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery.

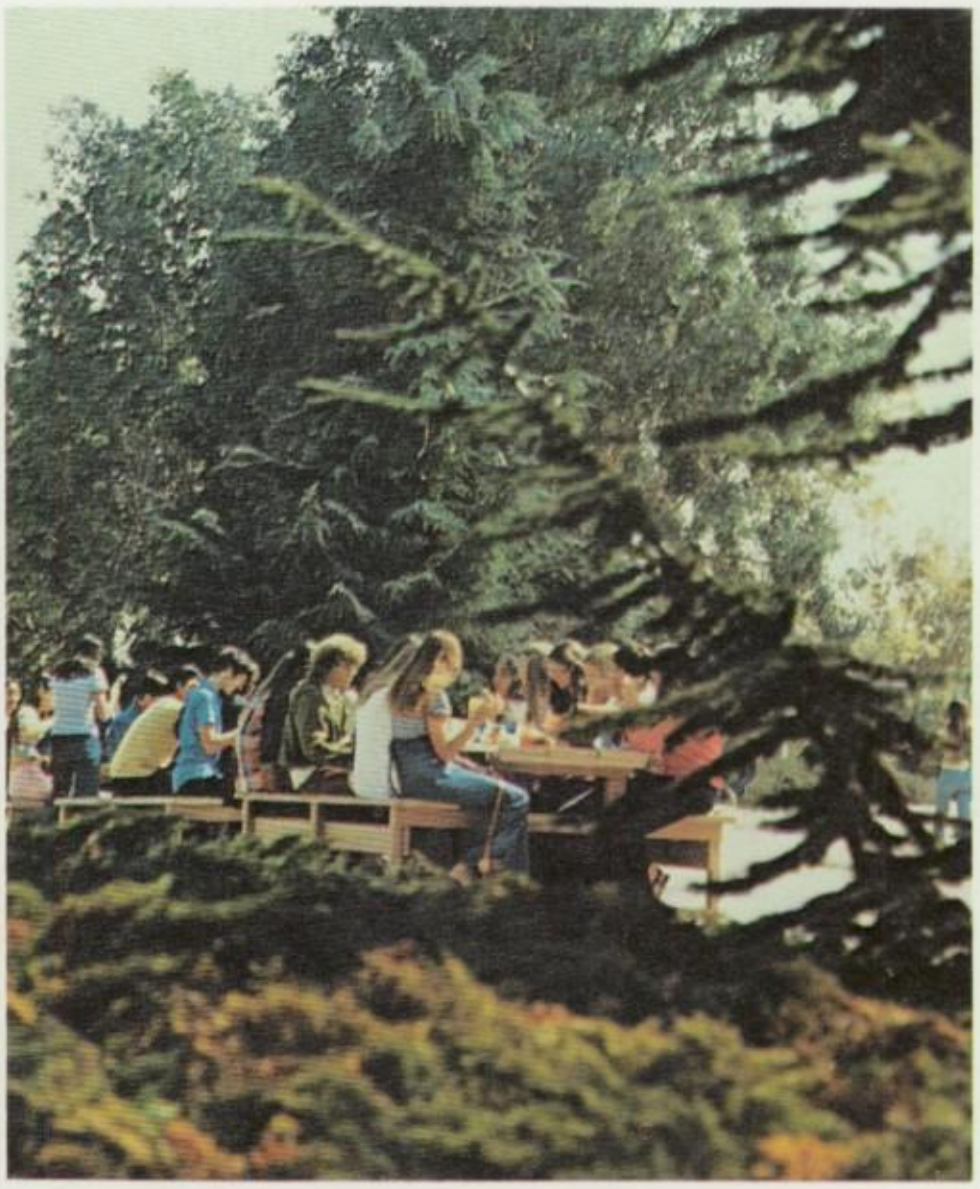
Varsity Cheerleaders Teresa Bader, Jeanne Groark, and Lori Reichhold practice for the upcoming game.

The Varsity football team after an exhausting Homecoming Game.

But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere
LIFE IS FULL OF HEROISM.

Pretty maids all in a row ... Wilcox's Song Girls Barbara Enright, Carole Dorman, Wendi Tucker, Artis Roque, Susie Nakagawa, and Cristina Gonzales.





Tableful of eaters at lunch.

BE YOURSELF.
Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity & disenchantment it is as perennial as the grass.

Dan Bryant and Sylvia Pedroza seem to have forgotten the "Hands Off" policy.

Debbie Ferreira and Rick Ulmer sharing lunch and love.

CLOGS

'Being Themselves' . . . Kerry Wagner, Eileen Holbleib, and Ramiro Reyna (L to R).

Susan Dalman (L) and Marcus Buonfiglio (R) show off their flared pants with cuffs and new shoes.

Gail Reed (Left) and Valerie Scott (Right) are wearing Falls' latest fashions.

Kathy Sulgii, below, displays her midriff top and leather purse.

Julie Lavaleur, below, shows her interpretation of the new styles.

Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue & loneliness. Beyond a wholesome discipline, BE GENTLE WITH YOURSELF.

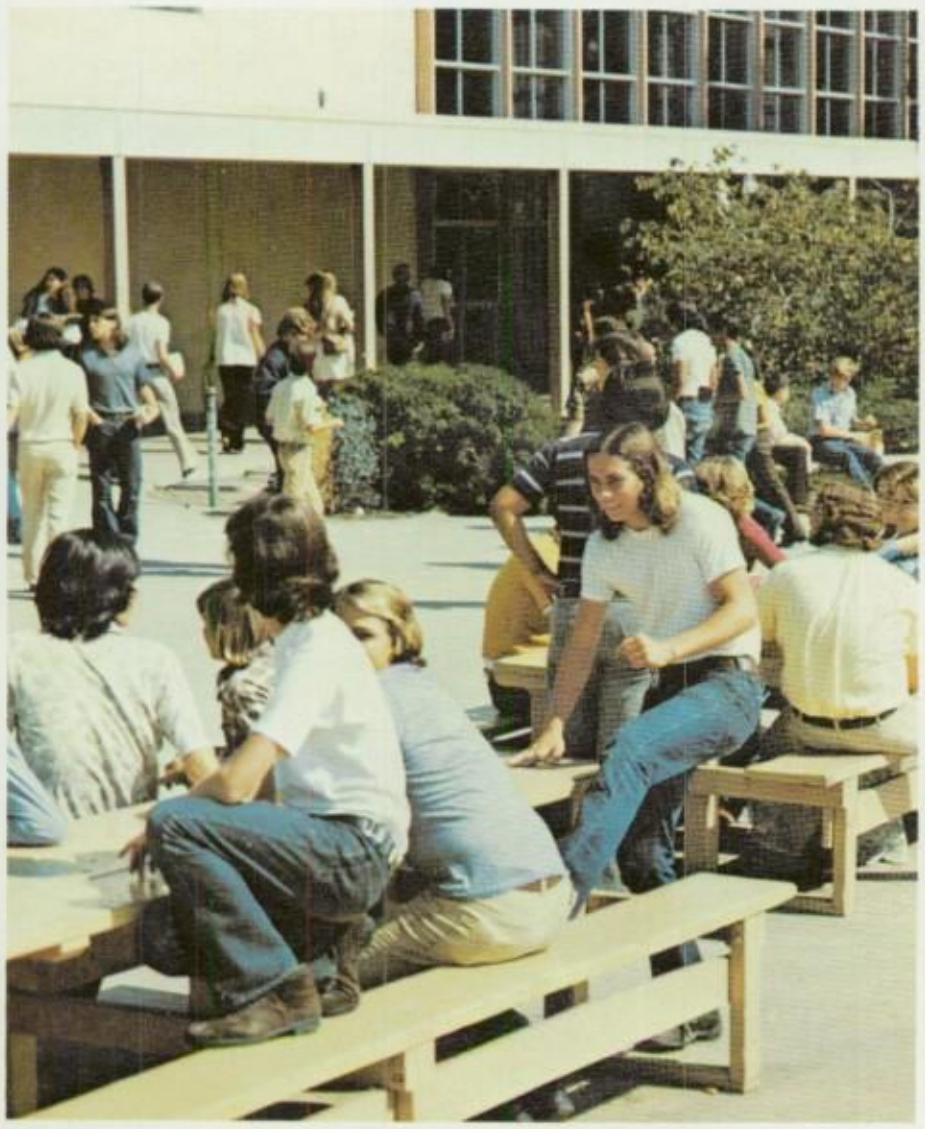
YOU ARE

Snacking in front of the Snack Bar.

Going to a long-awaited lunch.

Juniors and Seniors monopolize the benches at Fifth Lunch.

A CHILD OF THE UNIVERSE



Social hour in the Quad.

no less than the trees
& the stars; you
have a right to
be here. And
whether or not
it is clear to you,
no doubt the
universe is unfolding
as it should. Therefore
be at peace with
God, whatever you conceive
Him to be, and whatever your
labors & aspirations, in the
noisy confusion of life keep
peace with your soul.

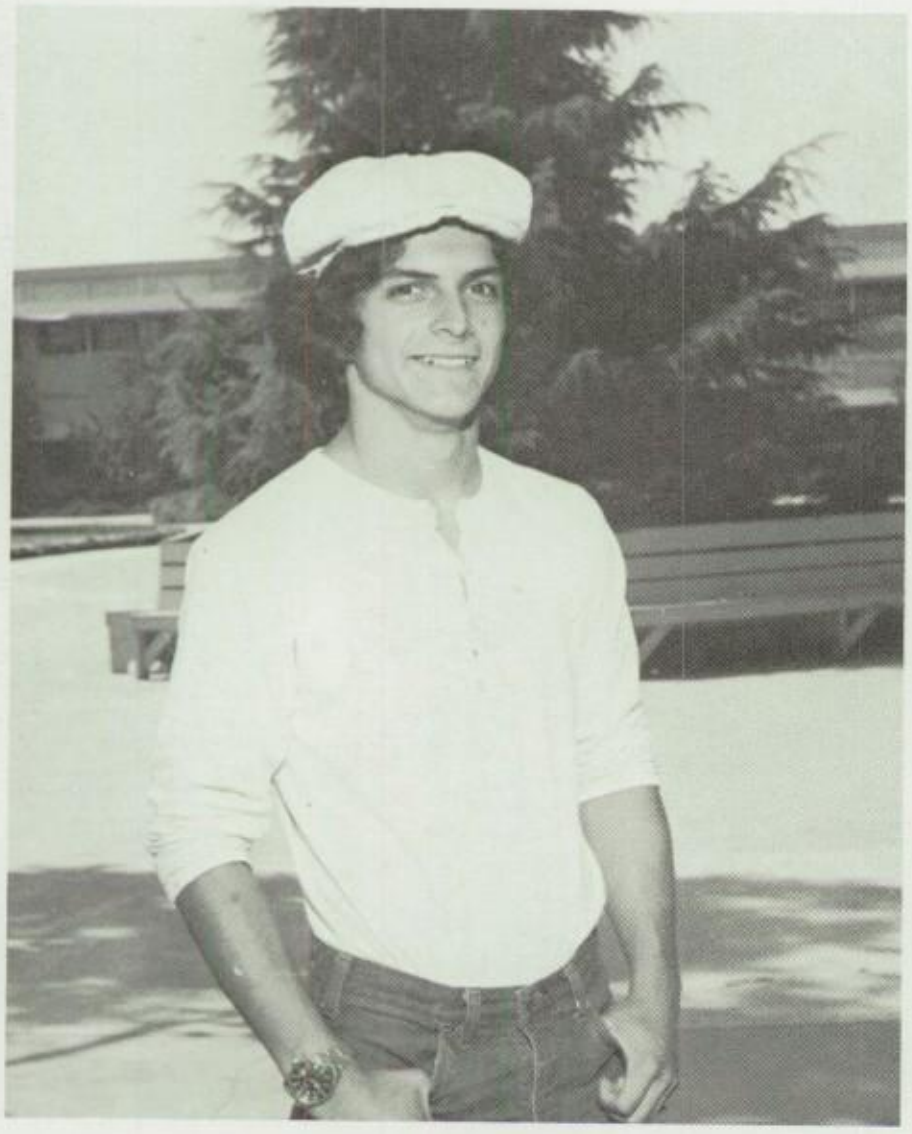
Members of Mr. F. Johnson's Guitar class enjoy the Quad with a squirrel.

The view from the Senior Lawn.

With all its sham, drudgery, and broken dreams, it is still a beautiful world. Be careful. STRIVE TO BE HAPPY.

Lunch on the lawn . . . one of the luxuries Wilcox provides.

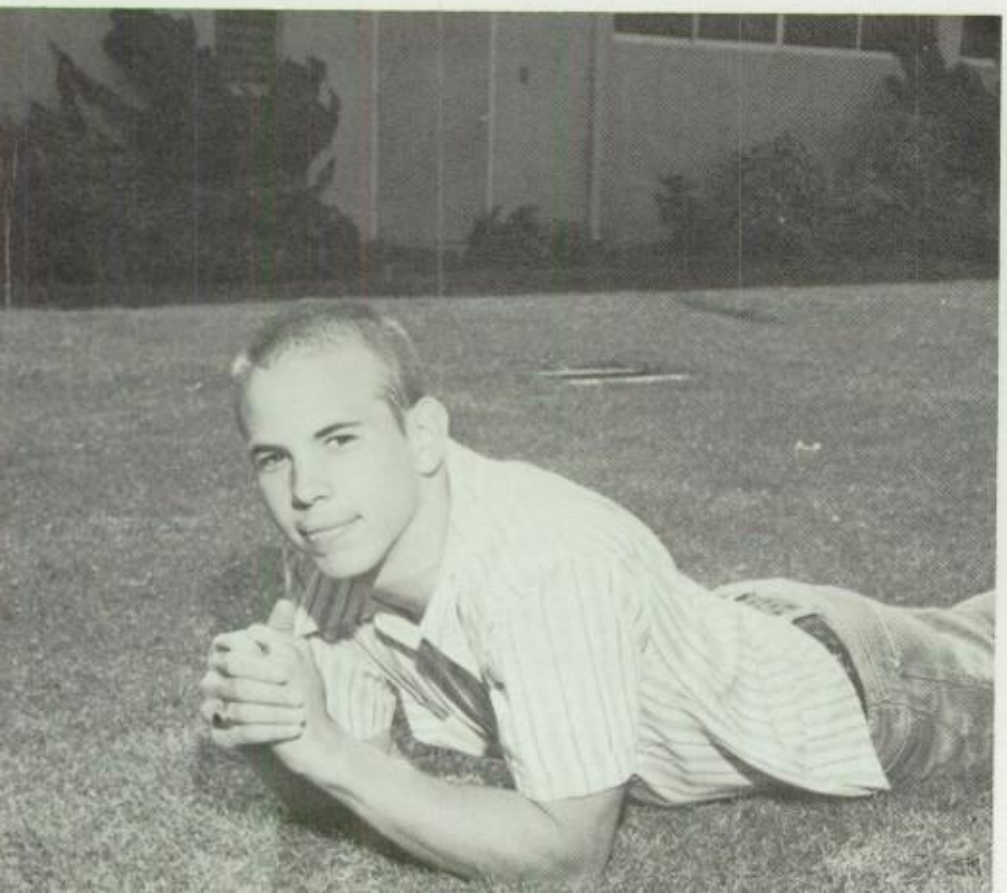
The tables are great for social lunches.



Dan Mata smiles as he poses with his new hat.

Karen Brown, Fritchie Ware, Rene Gage and Debbie Bonfiglio express joy.

Mike Wheeler enjoys his view of the world from the lawn.



Paul Gorsuch has no trouble smiling in Mrs. Sonia Martin's class.

1974 . . . it's over,
even though it just began.
There are no more rallies,
no more games, no more classes,
no more schedules,
there is no more excitement.

And now, there are only memories
A sprinkling of bad,
an abundance of good.

Yet, for some,
this is it.
The memories they hold now,
will be the memories
they will hold forever.

Because, for them,
there will be no more rallies,
no more games, no more classes,
and no more schedules —
only memories from now on.

Friends who will depart
never to return again.
For them,
this is it.

The times spent together
during this eventful year
will never happen again.
They are only memories.

Underclassmen
who will return,
will find that
the time here
is short.

Before they know it,
they too
will be gone.
And all that will be left
will be the memories.

Memories of four years
that re-arrange, shape,
sometimes completely change
the lives
of everyone that goes here.

But,
1974 is over,
even though it just began.
And now,
there are only memories.

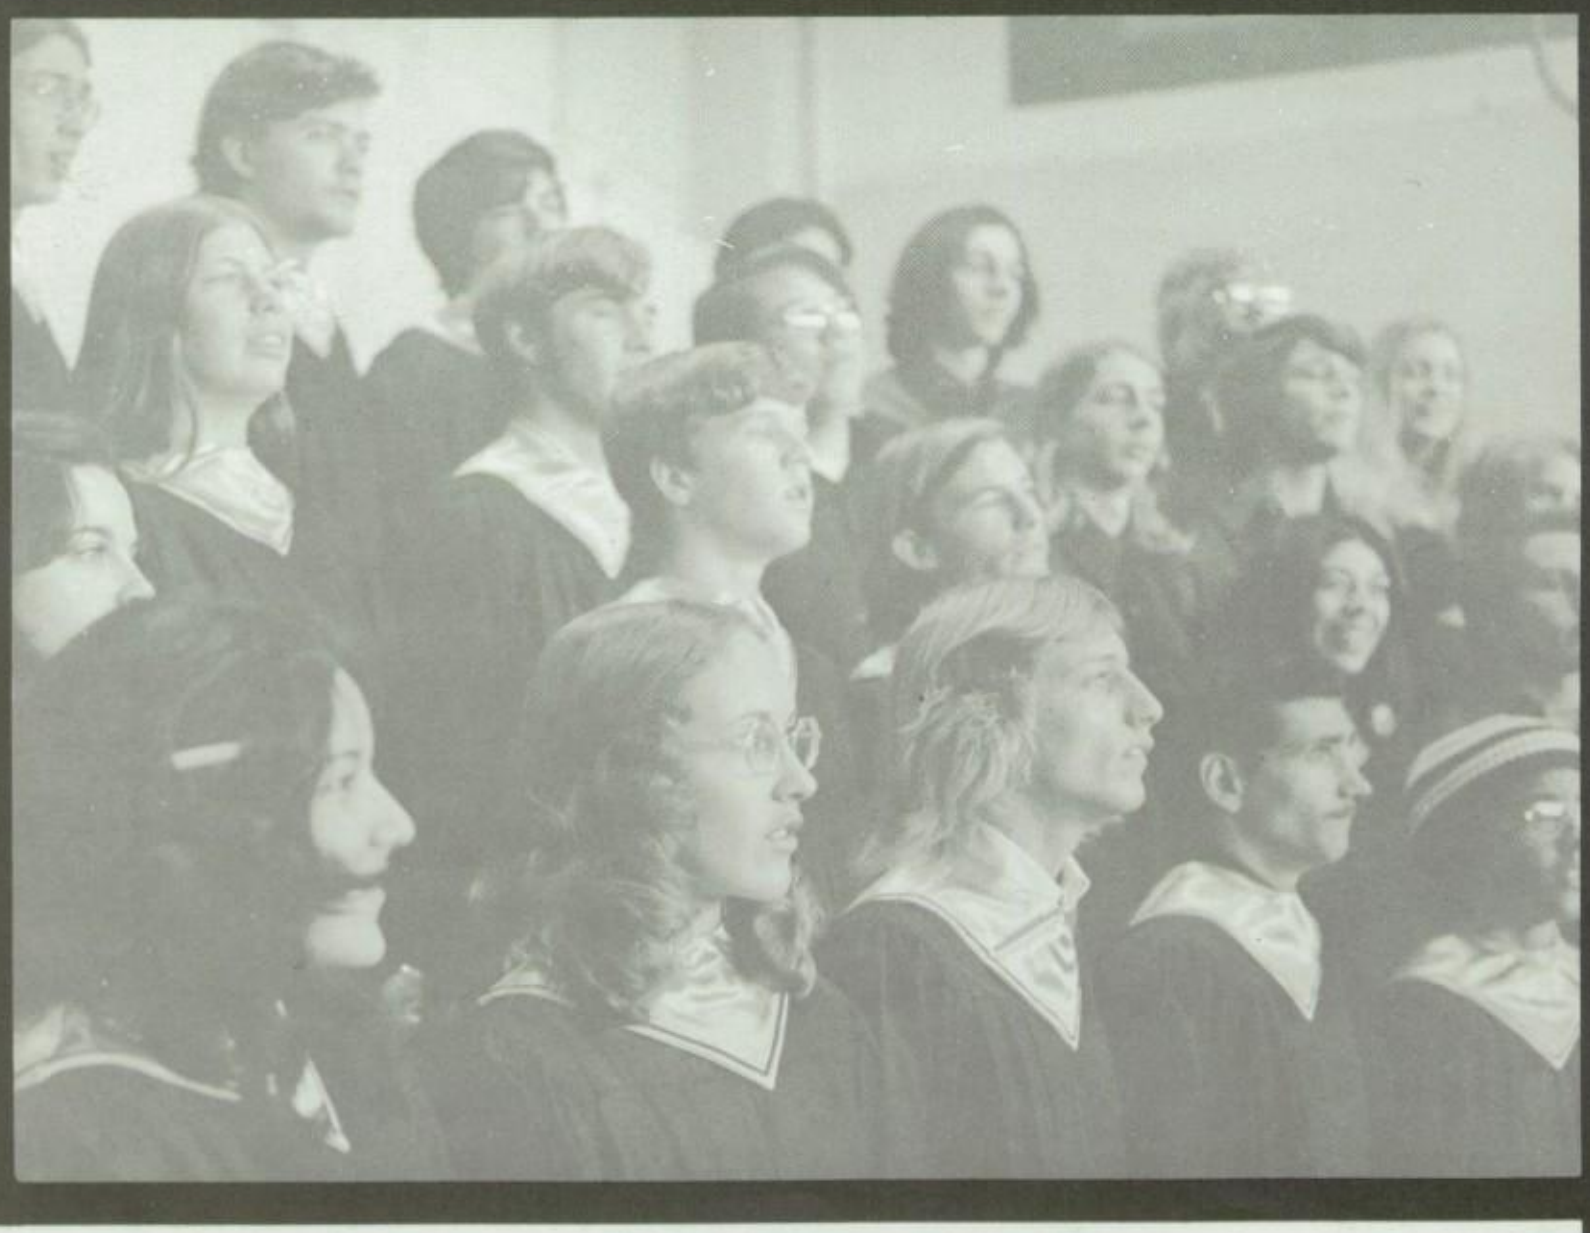
CHRISTMAS



Each year the music department holds a Christmas Pageant to celebrate the coming of Christmas. This year it was held December 18th in the multi-purpose room at 8 p.m.

PAGEANT

The groups that participated were Choir, Girls' Glee, Boys' Glee, Orchestra and Chamber Choir. The entire audience participated in ending the program with the Hallelujah chorus.

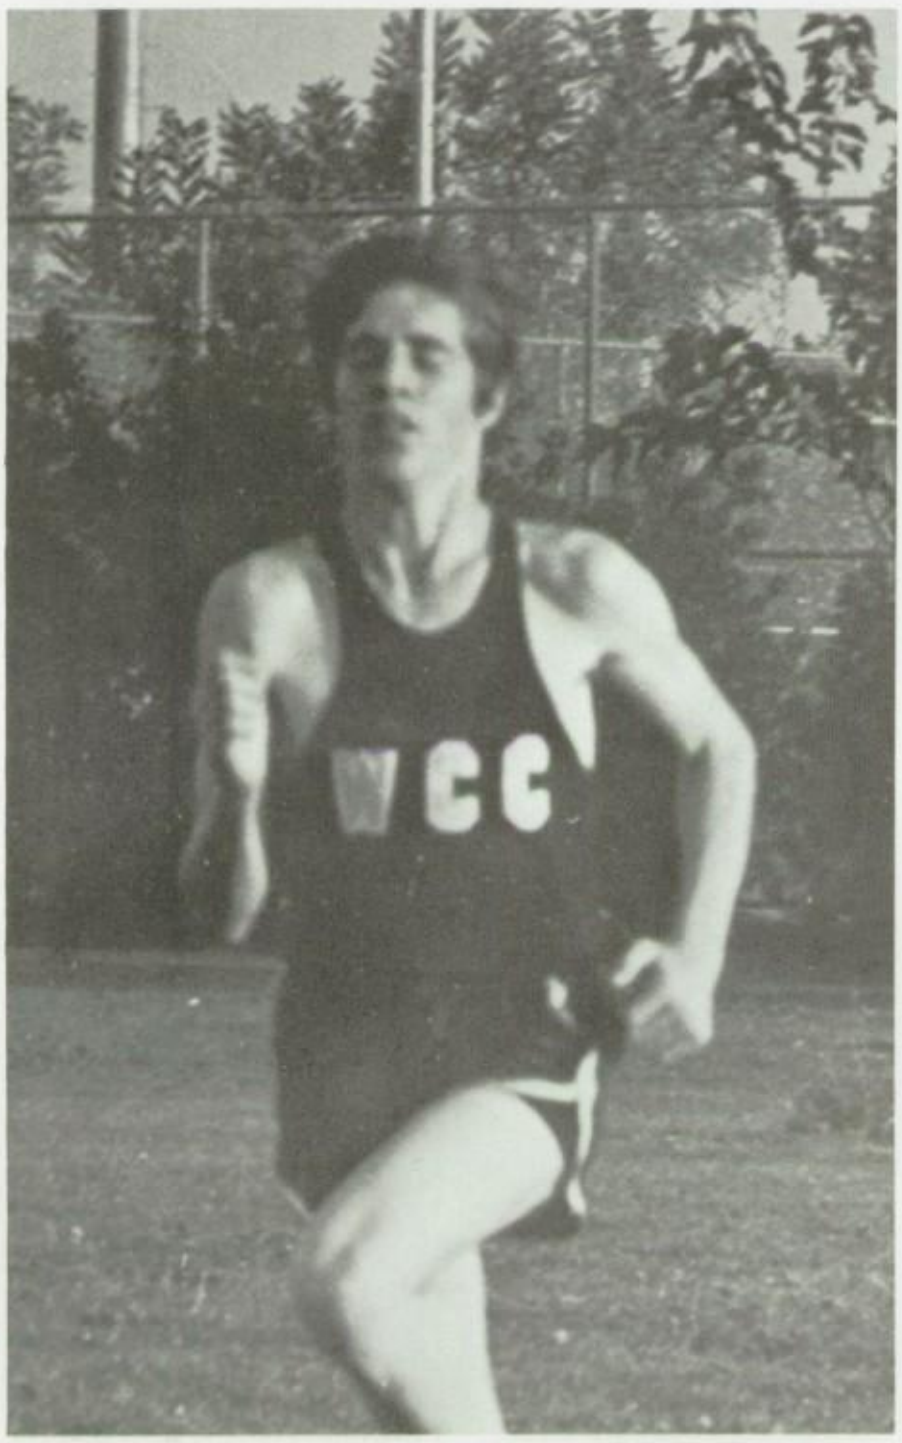
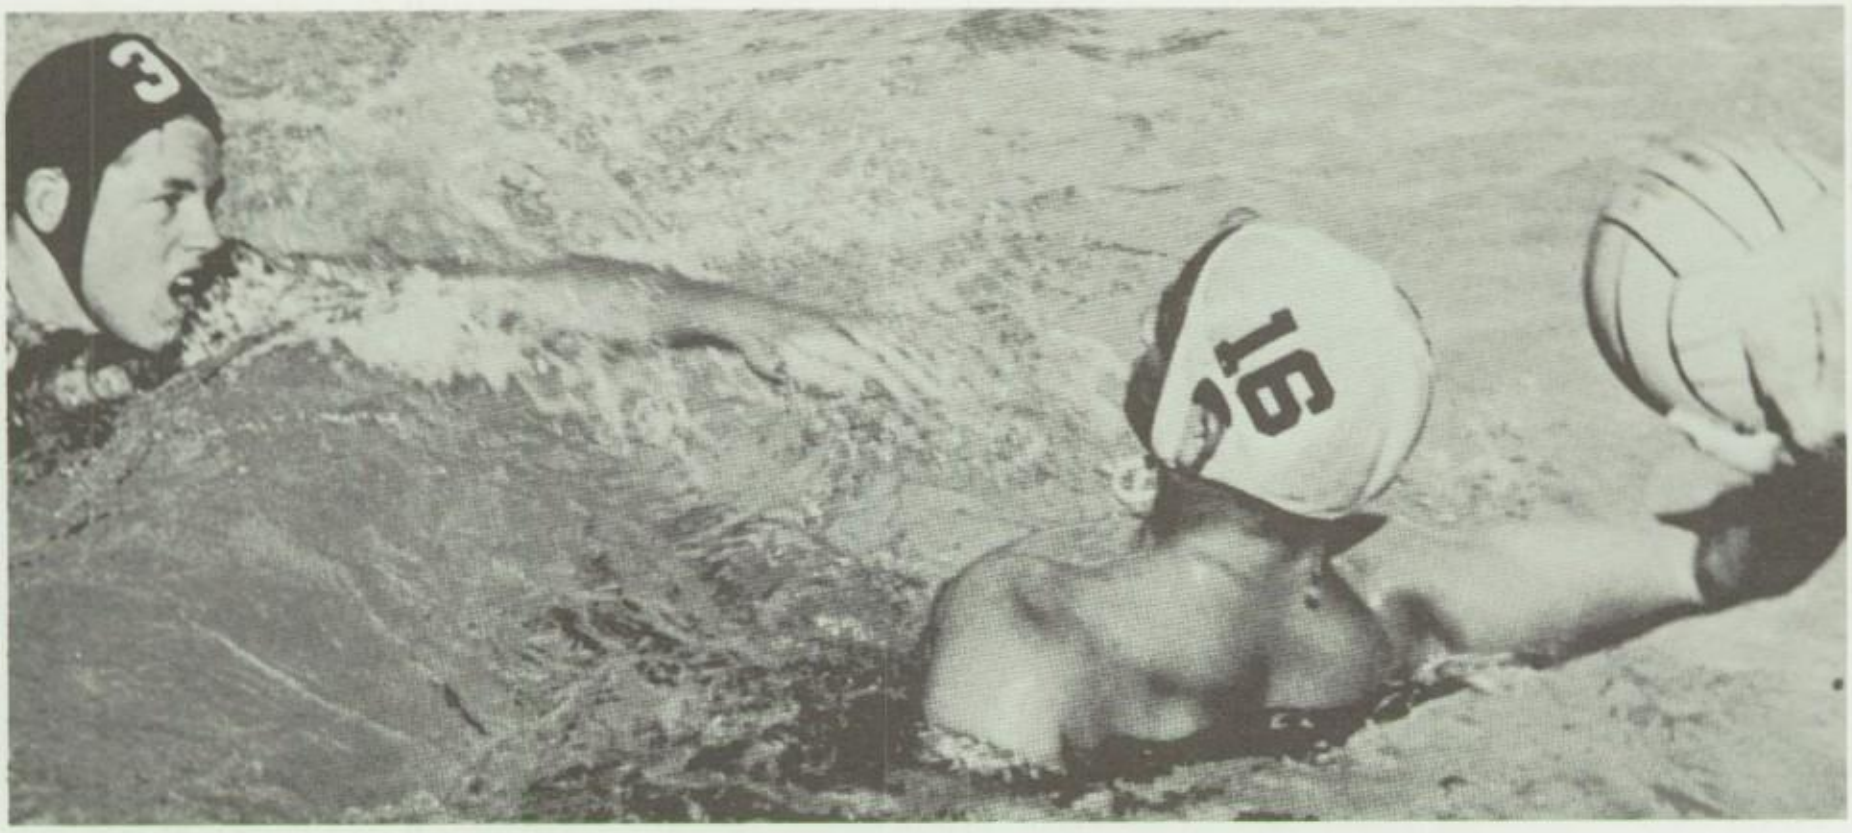
Below JUNIOR VARSITY, SOPH-FROSH: Left To Right, Top: B.Kindall, B.Sakauye, T.Leighton, L.Bumbaca, M.Kramer, B.Dimicelli. Bottom Row: K.Hoffmeister, A.Arce, A.Legunas, S.Yamaichi, T.Estrada. Coaches are Jerald Louderback and Carol Shelton.

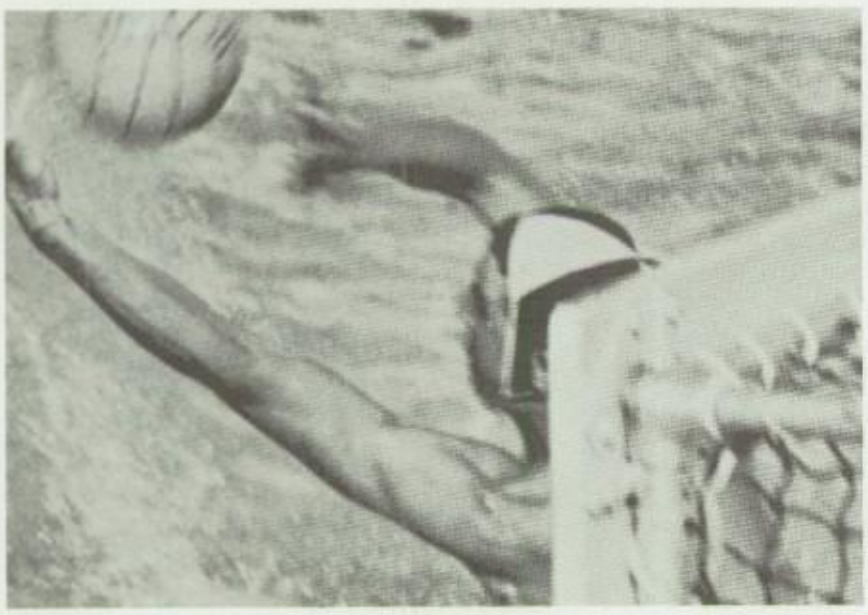


Cross Country

There was no doubt in Coach Louderback's mind that this year's cross country team is twice as successful as last year's team.

This year's varsity team took three first places out of seven meets. Some of the outstanding runners on the varsity team were, Art Rios and Mel Brazil, who is only a junior.





Water-Polo

The varsity waterpolo team finished the 1973 season with an overall record of 2 wins and 12 losses. The last game was a close win verses Willow Glen with a score of 13-12.

Greg Hardiman, goal keeper, is the outstanding player, keeping a high average. Offensive standouts are Jackson and Hapichuk. Defense is lead by Johnson and Kiefer.

D Basketball Team

Coach Bjornstad, E.Eslinger, J.Barnes, C.Horueg, D.Wertman, J.Higaki, W.Moore, B.Samoramus, D.Pleyo, M.Ichinaga.

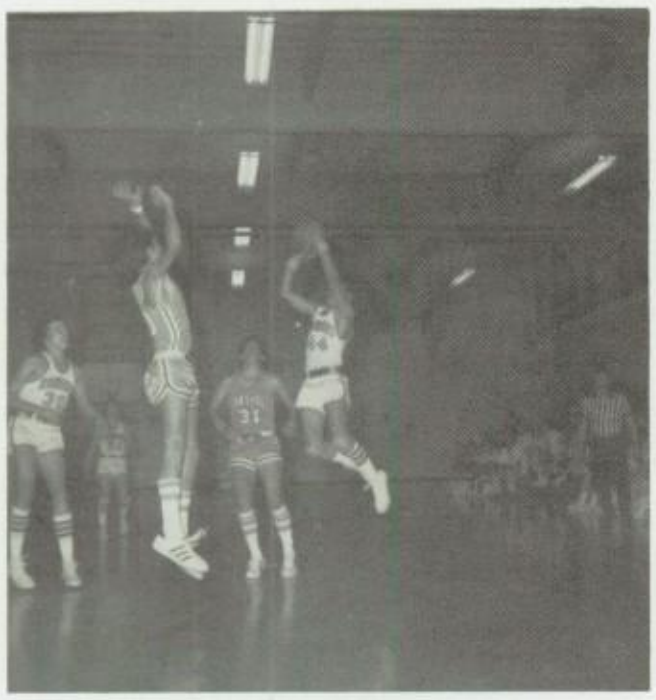
Dee's Drop Nine

The Dee's had their share of troubles, winning only 4 games and loosing 7 for league play and loosing one of their 2 pre-season games for a 4-9 season. Some of highlighted moments were; burning the wagon of Cupertino's Pioneers 26-18, crowning the Los Altos Knights 36 to 48, and goring Monta Vista's Matadors 34-25.

C Basketball Team

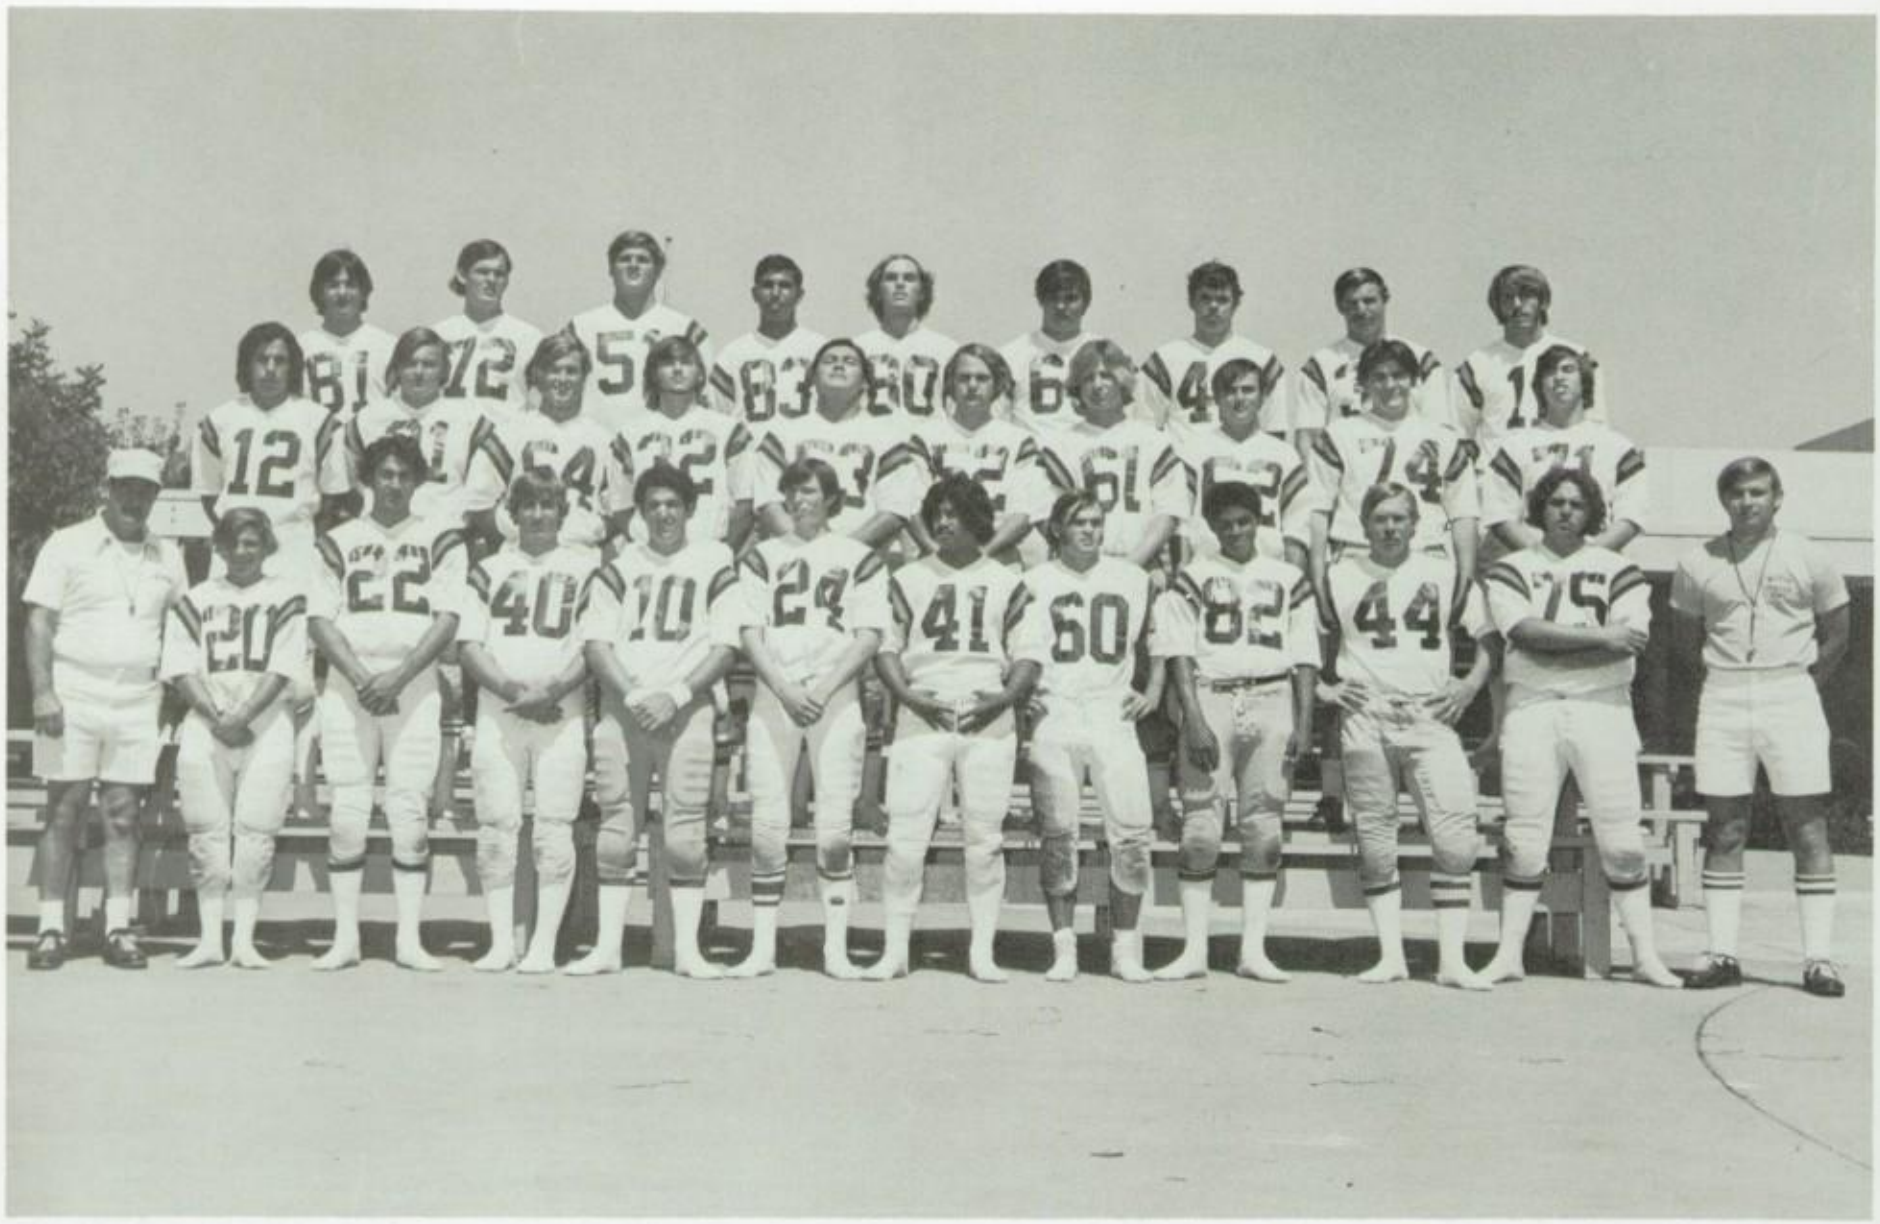
Coach Vettel, R.Fisher, B.Wynne, G.Ibara, T.Martinez, T.Peitz, R.Lavalleur, T.Rice, G.Prattin, T.Walters, A.Tullo, D.Wijtman, J.Vaughn.

CEE'S WIN CHAMPIONSHIP



For the seventh straight year, the Wilcox Cee Basketball team defeated Peterson and Santa Clara High Schools to become the city champions.

This year, the Cee's didn't have quite as good a season as last year, but with a win-loss record of 5 wins and 6 losses in league, Coach Vettel feels that his team still had a fine season.



Varsity Football

1st Row: Coach Ouellette, S.Patig, R.Shimada, J.Francis, J.Martello, D.Oleary, S.Adan, K.Marshall, J.Wells, D.Braynt, D.Freeman, 2nd: P. This year's team compiled a 6-4 won lost record. That is the best record in the history of the school.

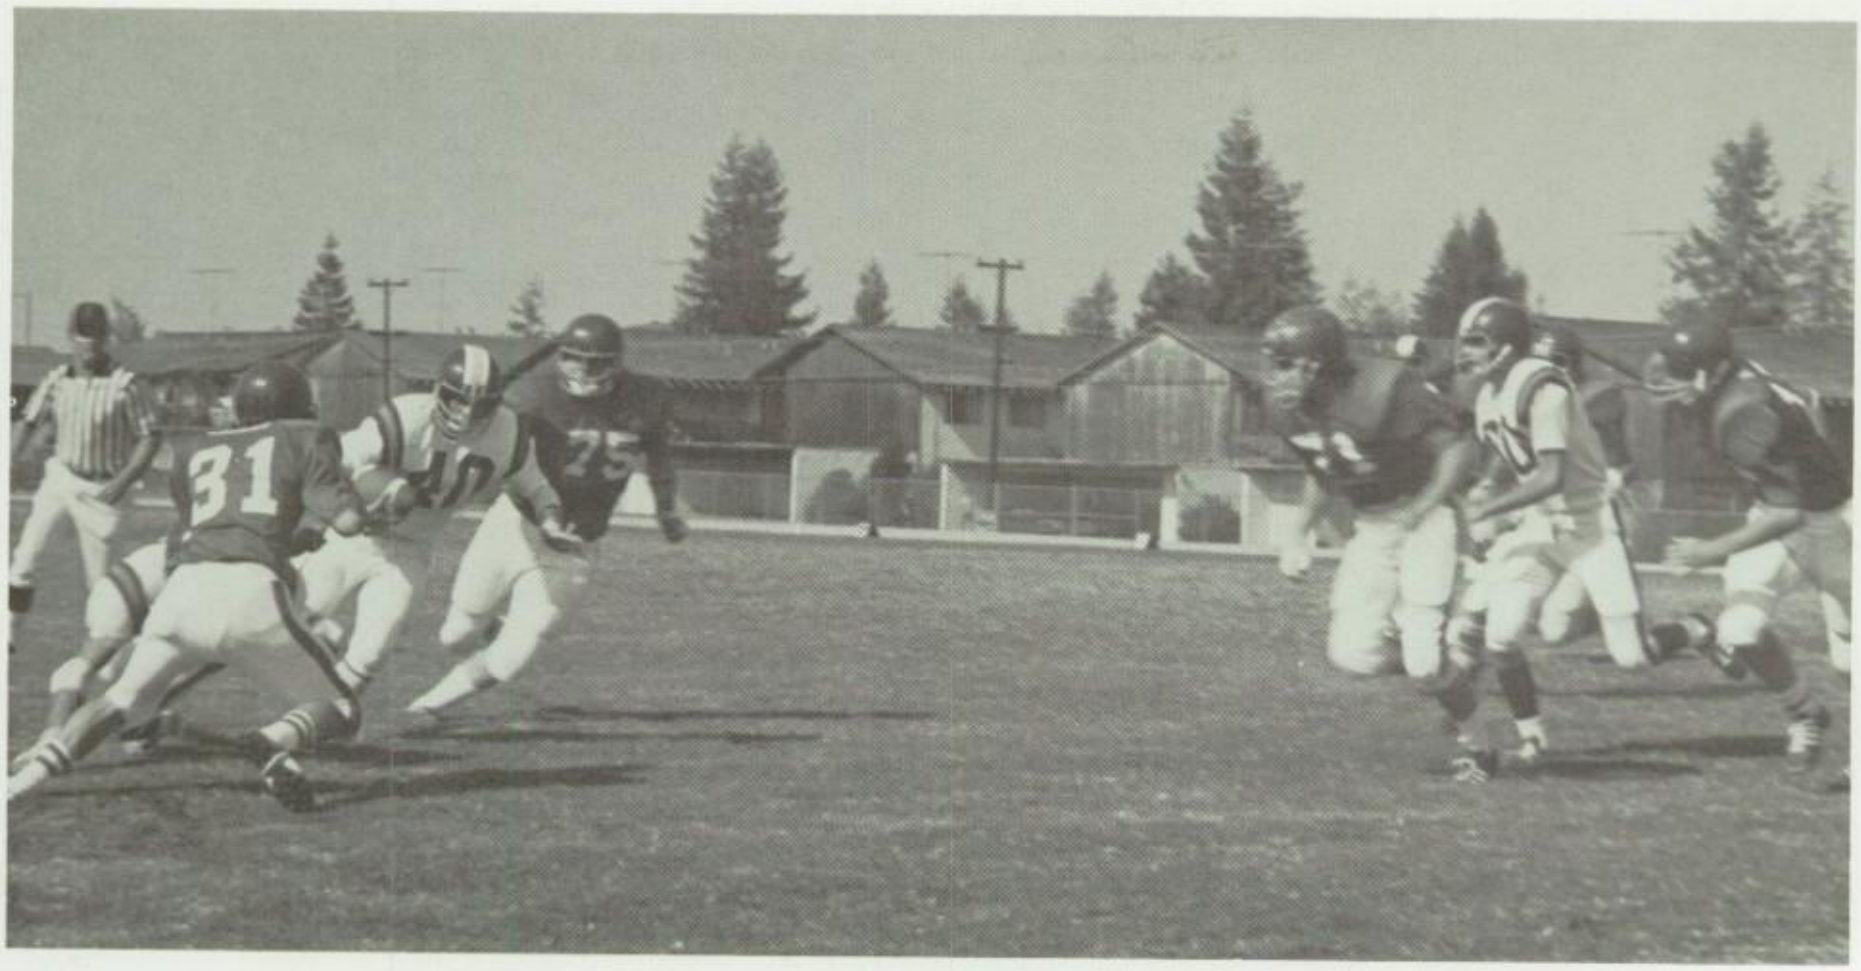
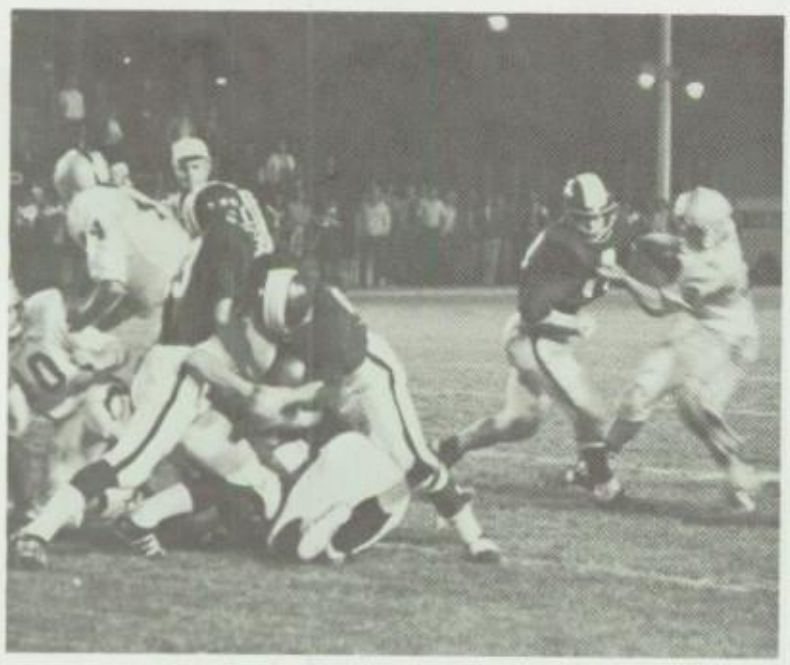
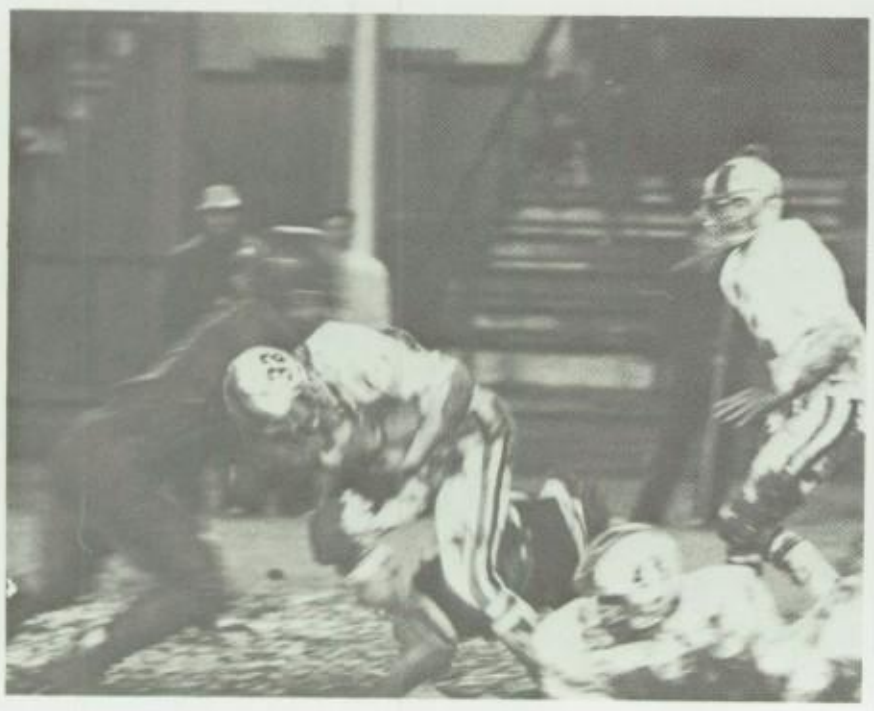
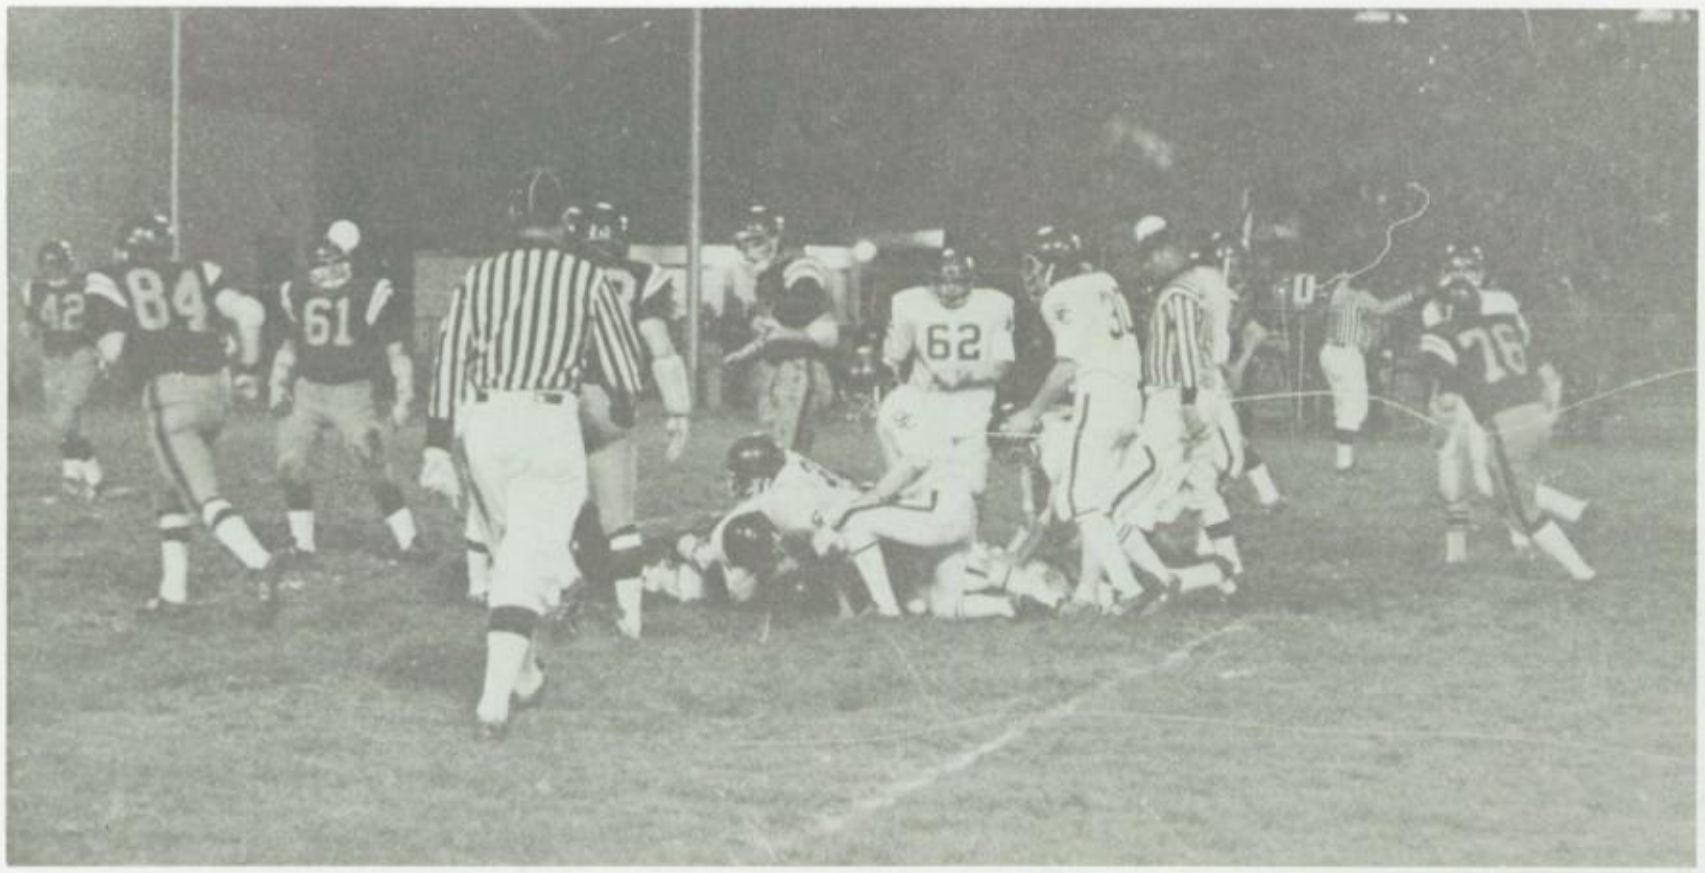
Coming from Peterson High, Mr. Oullette's coaching had a lot to do with our record.

The team finished third in the league. Some of the outstanding players were Mark Hill, Tony Beruman, Bob McDowell, Clay Gidel and Bill Bumbaca.









Left: Lance Anderson, Asst. Coach. Right: Don Ouellette, Head Coach.

Standing, the one and only, coach Sabin.

JV'S REBUILD FOOTBALL SKILLS

This year's JV football team learned something about football—you can't win them all. But they did display a fine defense. There would have been an offense, but Dave Gracia, the first string Quarterback, was injured and there went the old season.

Left To Right: 1st Row: J.Lancaster, B.Gibbs, G.Dangerfield, G.Palmer, J.Santos, T.Christman, K.Ramirez, G.Clawson. 2nd Row: S. FROSH LEARN

Football is a game of spirt, skill, and hard work. The Frosh team had the spirt and were hard working, but they lacked the skill which comes from experience. Even though they did not win many games, they improved, not only as a team, but also as individual players.

WRESTLERS RATE

This year's wrestling team was blessed with some of the best wrestlers in the state: Bob McDowell, Clay Gidel, and Mark Hill, not to mention Reuben Gonzalez.

The team overall did poorly because they lacked depth and were forced to use a few freshman on the varsity squad.

VARSITY 9—3

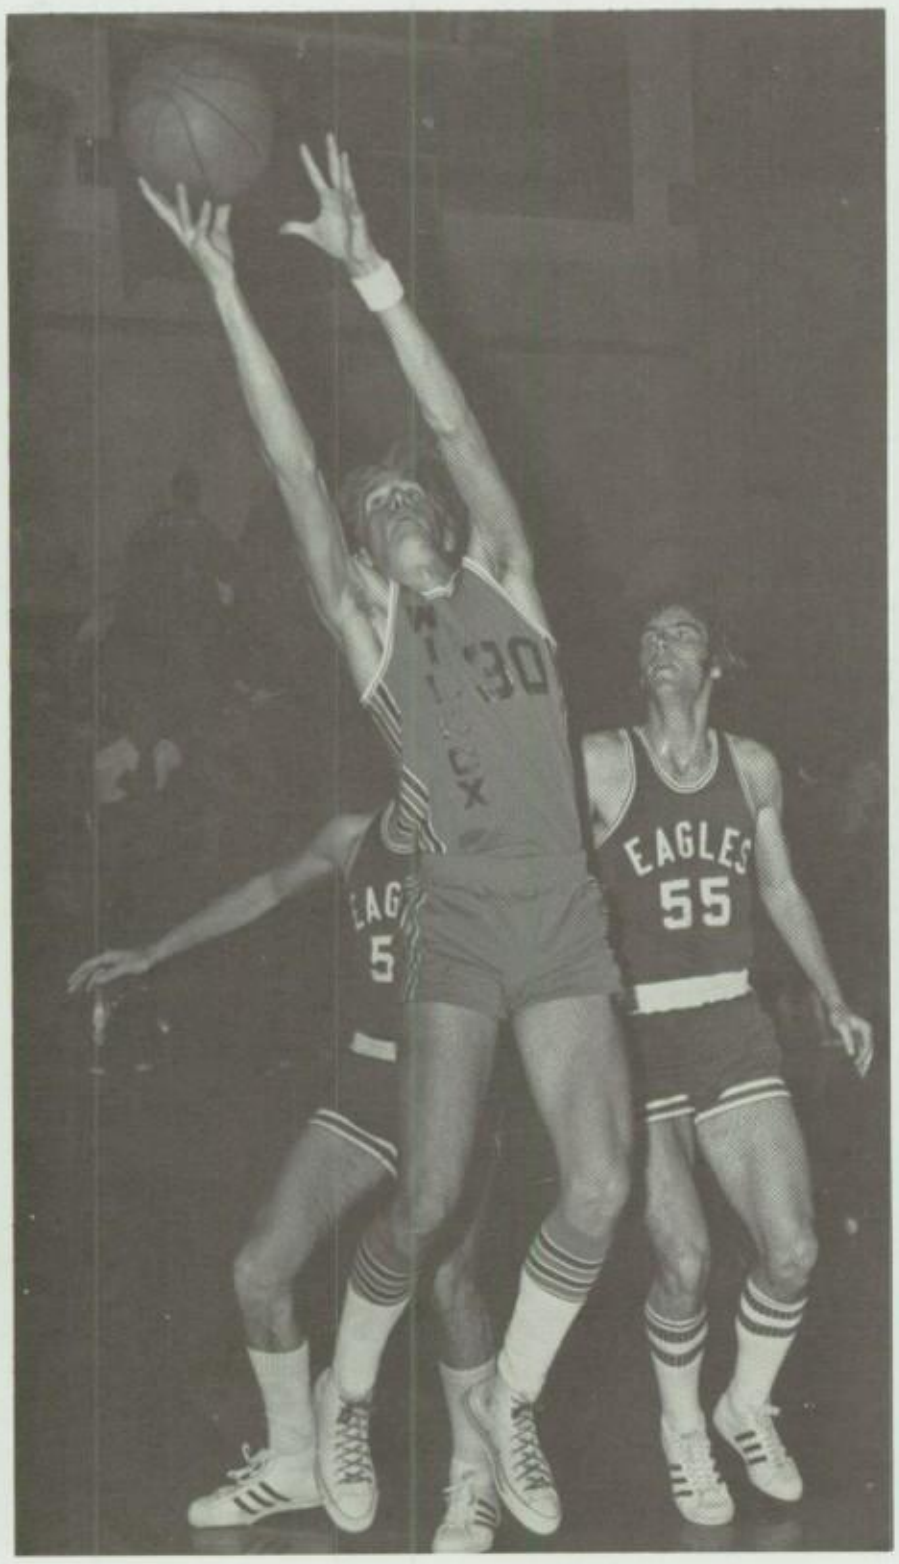
This year the Wilcox cagers turned in one of their better seasons as they finished in third place behind Buchser and Los Altos respectively.

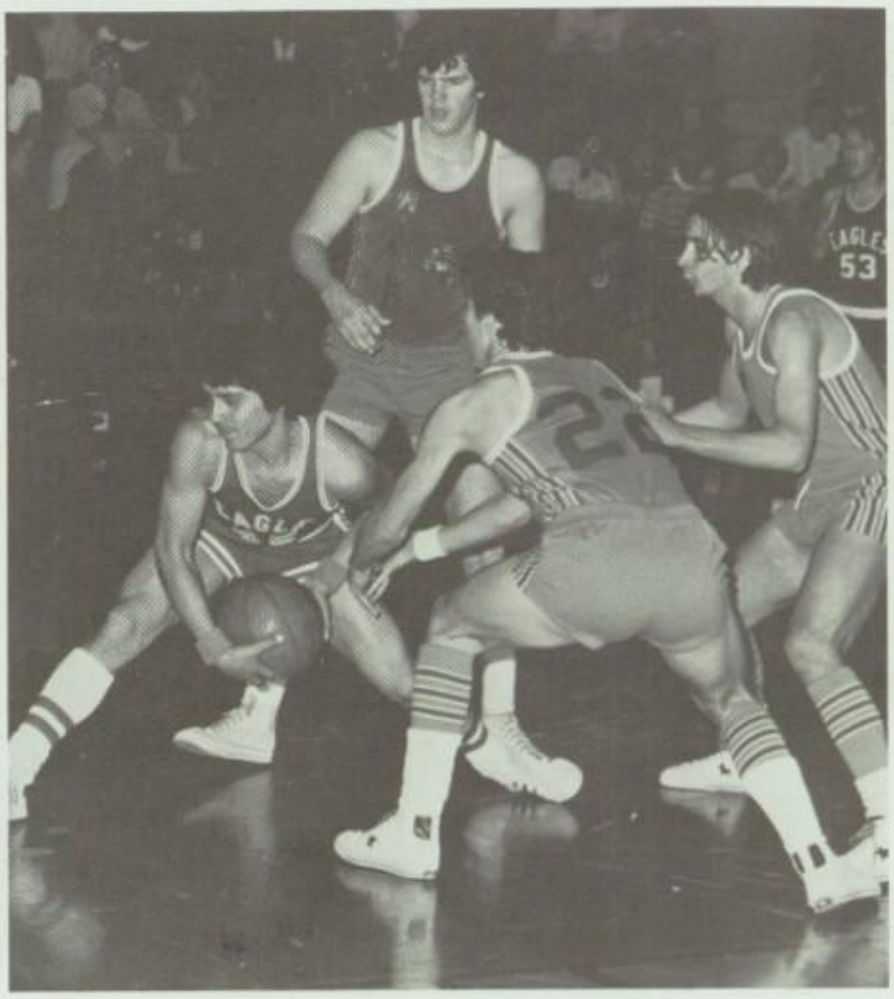
The Warriors ended the season with several happy notes as they won five out of their last six games. The last four were in a continuous streak.

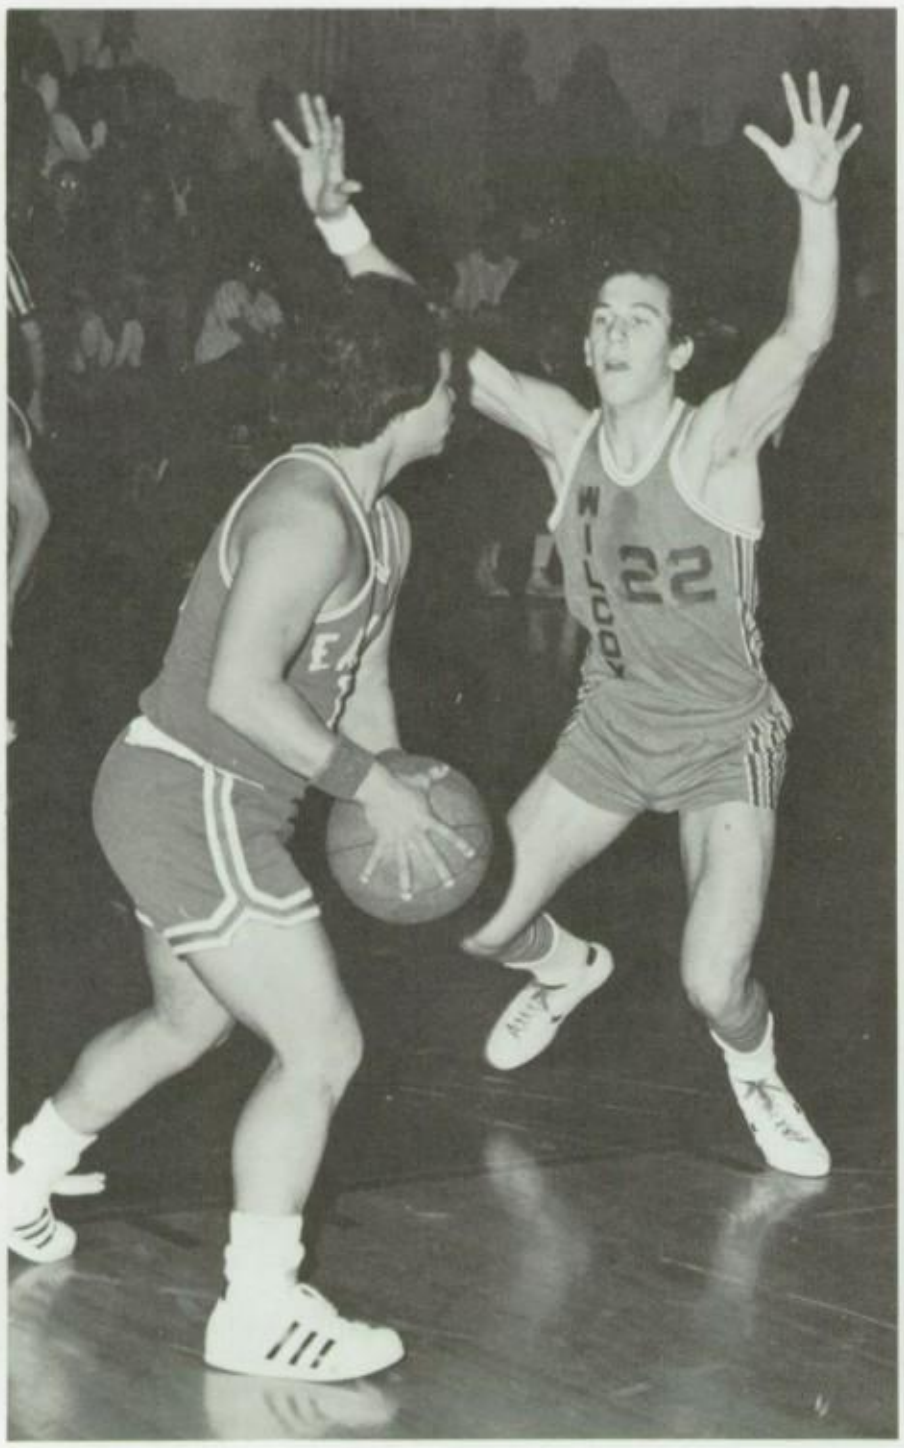
One of the big surprises of the year was when Wilcox beat Buchser by a margin of eleven points.

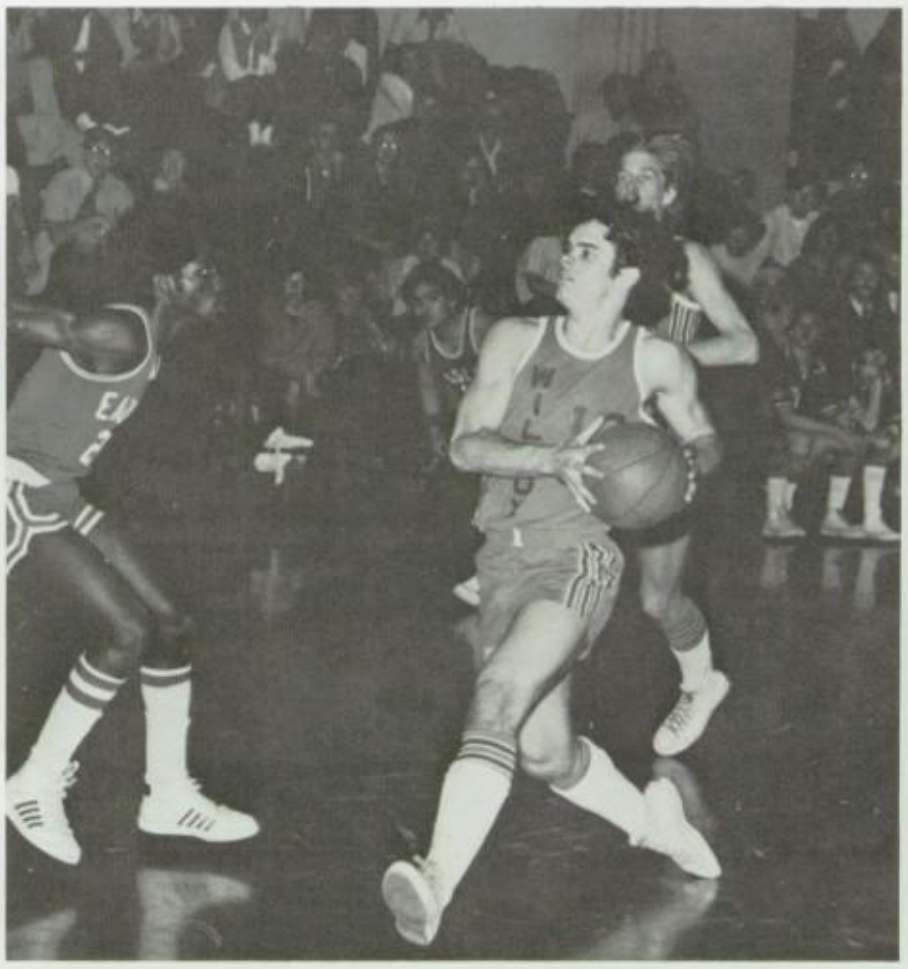
Definitely a fine team, the Warriors were led by two outstanding players in the form of Kevin Cordia and Mark Messier. Ron Smith, Bill Bumbaca, Tom Pirslin, John Wells, and Mike Oxford rounded out the starting lineup.

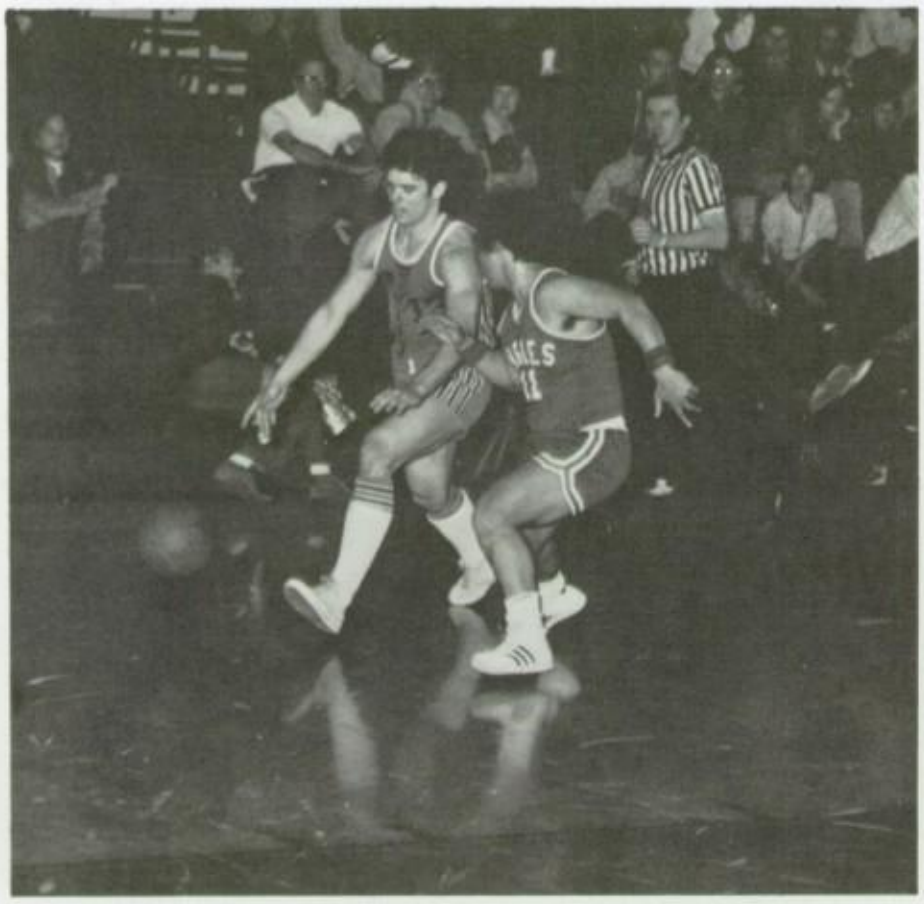
Basketball

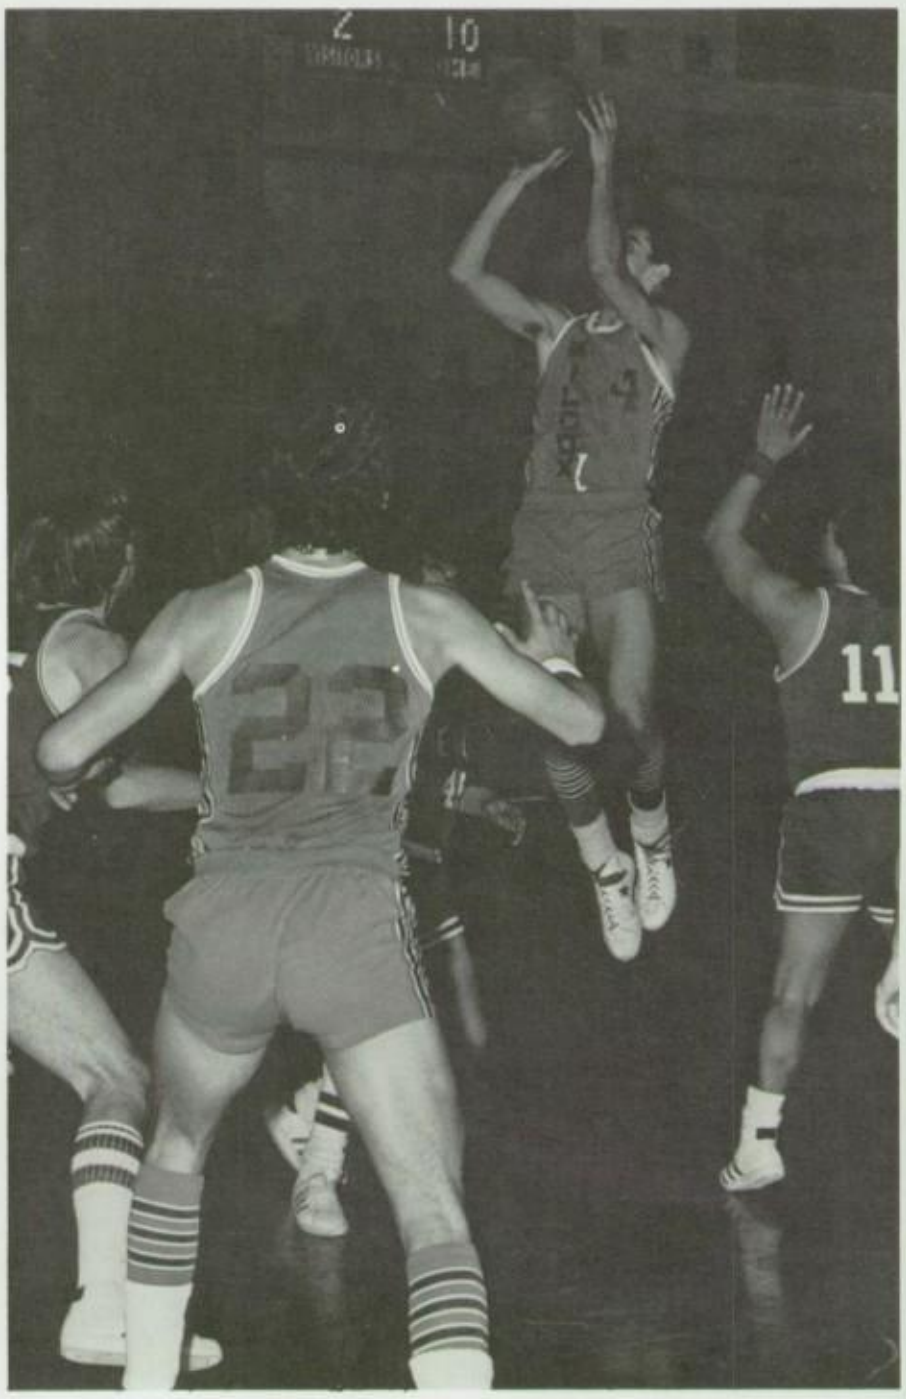


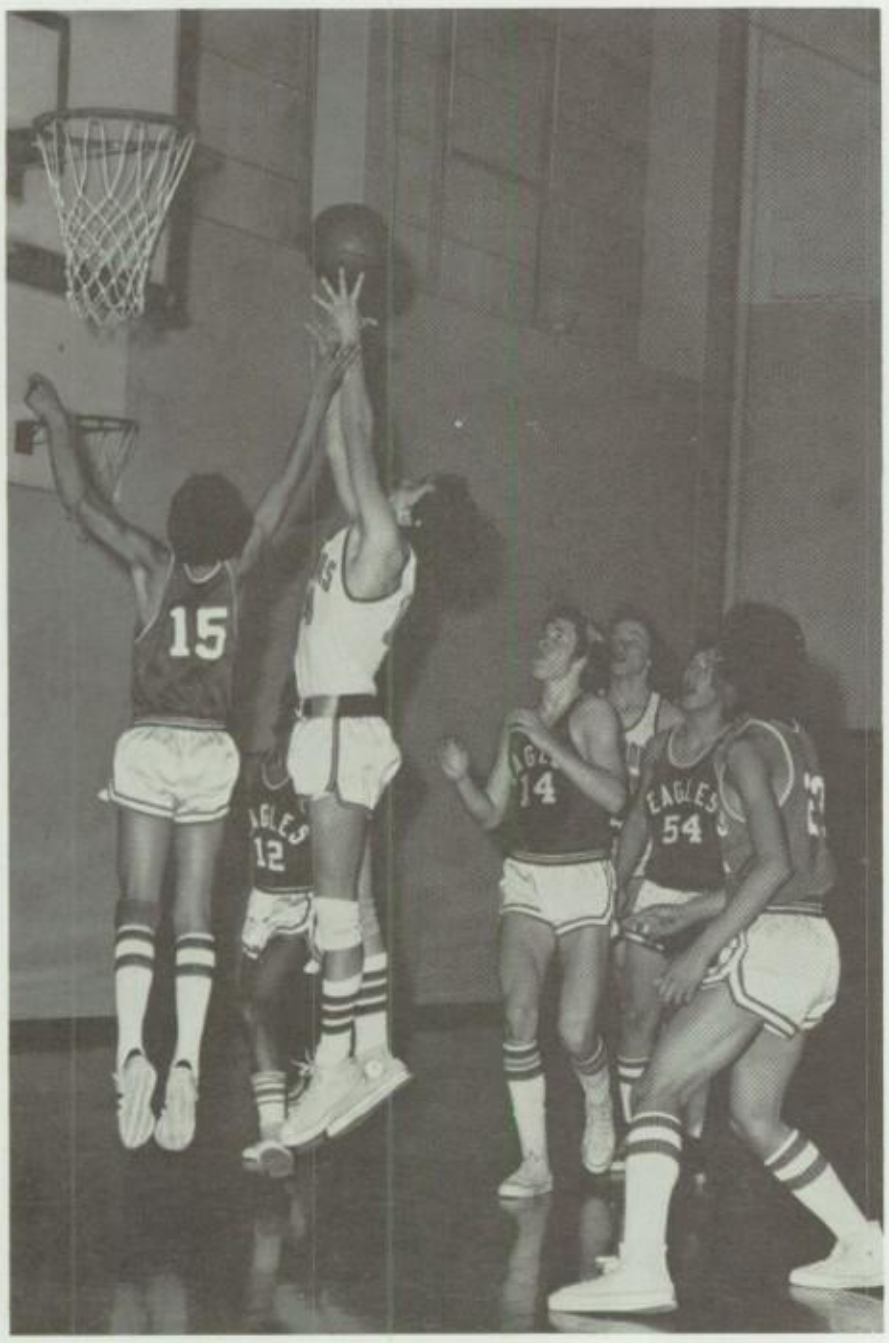












GREAT FROSH

This was the best Freshman basketball team ever at Wilcox. They turned in a very fine 7-7 record in league action. Steve Balog became a very fine shooter and may some day turn into a great varsity player.

Building players for the future is the purpose of the Freshman team. Coach Burresci did a very good job in installing basketball skills to his players.

JV'S TAKE 2ND

This year's team finished the season with a 10-2 record in League play. Los Altos took first with a 11-1 record.

The main leaders of this year's team were Walt Pierce who made first team All-league and Carny Lansford who was chosen as the leagues MVP.

Mike Enright turned a great year as point man. He was the only freshman on the team.

CLUBS

Spanish

The Spanish Club, founded on the premise that promoting Hispanic culture can be fun, offers many exciting activities for its members. The Spanish Club goes places: caroling, bowling, skating, San Francisco, and Santa Cruz. The Spanish Club does things: snack bar work, basketball tournament, the car caravan, and no one can forget the Azetic God of War, the venerable "Hummingbird Wizard"—Huitzlopochtli, supplied by the club. In interesting activities and valuable services, the Spanish Club is the last of the great language clubs at Wilcox.

German

Wilcox High's German Club, often referred to as the Kalifornia Kraut Klub says "Willkommen," to anyone interested in German language or culture. Throughout the year, members get a taste of German culture by visiting authentic beer halls, making pretzels and wearing Lederhosen. And of course, the development of our mental abilities is not overlooked: learn the "real" story of Hansel and Gretl, discover what Wienerschnitzel is really made of, and develop your technique for picking up a Fraulein while dancing to "Lichtensteiner Polka!" Come and join us soon... and don't forget your beer stein!

Bottom Row: L.Lebedeff, K.Dilworth, J.Aritomi, A.Shenefelt, J.Simmons. Row 2: C.Edman, K. Groppi, C.Caswell, M.Shinaga, Advisor: Mrs. Werfel.

Latin

The Latin Club is comprised of students having a background in the classical language of Latin. Members should be interested in learning about Roman History as it was in antiquity.

Bottom Row: B.Carag, B.Robertson, C.Crawford, M.Remillard, A.Carag, D.Lovelace, S.Cirica, T. Smith, N.Sodaro. French

"Le Cercle Francais" is open not only to students of French but also to anyone who has an interest in exploring some of the many facets of French culture. The club has a three-fold goal, and its members work hard to attain it.

The first goal is that of becoming better acquainted with French culture. The club has its own song entitled "Amitie", (friendship), sung at each meeting. Members take an annual trip by train to San Francisco to eat a French meal and to see either a French film or a current French display at a museum or art gallery. Past trips have taken the club on a tour of the French Church-"Notre Dame Des Victoires" on Bush Street, the statues by Rodin at the Palace of the Legion of Honor, and savoured some "crepes" at the Old Brittany Restaurant.

The club's second goal is to render service to the community. The members sing French Christmas Carols every year at local convalescent hospitals.

Finally, the French Club is a social club where members get to know each other and enjoy working with each other on such money raising activities as selling candy canes and washing cars. The money raised is used to pay for materials for the various services rendered and for much of the cost of the trip to the city.

Row 3: E.Ramirez, J.Martinez, M.Ichinaga, C.Gray, N.Rossman, C.Tullo, S.Navarro, W.Kilpatrick.

Asian

A brand new club, the Asian Club, is a new, different, and exciting way to familiarize people with the Asian culture. Field trips take the group to San Francisco to visit Chinatown, Museums of Asian Art, and various Asian Restaurants. Not only Chinese and Japanese, but Vietnamese, Filipino, and other far Eastern food is tried. In the Asian club, you'll find anything from Chowmein to Kung Fu! It's got something for everybody.

International

The International Club is open to all students of Wilcox High. It deals with exchange students and exchange programs. Through the International club, students here have a chance to be in exchange programs sponsored by AFS and YFU. Students who apply to the AFS Program may be selected to go overseas. The club's main activities include: the Annual International Dinner and International Day in which all foreign exchange students from neighboring schools spend a day talking to students here at Wilcox.

Bottom Row: Karen Manderbach, Dianne Pizanis, Debbie Lovelace. Top Row: Doreen Peitz, Advisor: Mrs. Edwards, Steve Bialogowski.

Drama

The Drama Club is open to all students who are interested in theatre arts. Club activities included attending plays in this area and in San Francisco, visiting the Renaissance Pleasure Faire in Novato, attending films and working on the school play. Visits to local rest homes are also a club activity.

Art

The Art Club is both a social and service organization. The members do display and advertising work for the school. Field trips are planned throughout the year.

Lettermen

The Letterman's Club, made up of the elite athletes of Wilcox High, is a service organization to the school. They provide services for many school functions such as: the Father-Daughter Banquet, the Sports Banquets, and the Athletic Contests. This year the club's fund raising project was a Donkey Basketball Game.

Each year the club members are rewarded with a camping trip. The club plans the trip to a lake of their choice and then goes on a four day camping trip. There are games, prizes, good food, and a fun time for all. If you qualify, the Letterman's Club wants you.

Key

The Key Club is a service oriented organization dedicated to helping others. Like its sponsor, the West Side Santa Clara Kiwanis, the Key Club operates on the idea that being of service to others is not only helpful but can also be a lot of fun.

Among other activities the boys served as waiters at both the Father-Daughter Dance and the GAA Sports Award Banquet. The group also co-sponsored with the Medical Careers Club, the highly successful Project Santa, a massive food raising drive. The Key Club also enjoyed a variety of social activities with neighboring Key Clubs and with adults from Kiwanis.

Medical Careers

Medical Careers Club is open to any student at Wilcox High School. It is of particular interest to those students who are interested in medicine and its allied professions. In order for students to widen their knowledge of the medical field, a number of field trips are planned each year. These trips include: visits to hospitals, convalescent homes, Red Cross, etc. In addition, a number of guest speakers from various para medical fields speak to the club members.

Medical Careers Club is a service club. Their main service to the community is to coordinate Project Santa, the canned food drive. The club also actively participates in school projects such as the annual carnival which is held to raise money for lights on the athletic field.

Future Teachers

Future Teachers of America was established in 1937 to encourage students to consider teaching as a career. In 1974 career exploration remains an important consideration for secondary level students. Rising expectations of students have brought about a redirection in the purpose and programs of the organization which resulted in a change of name. In the years to come, more relevance and dynamism will be sought in a united effort under the banner STUDENT ACTION FOR EDUCATION.

The need for more effective communication between teachers and students; benefits of a sensitive and creative school environment; and the desirability of student participation in shaping their education are among the forces that have brought about this transition. SAE/FTA has been an organization with the primary purpose of representing the educational interests of secondary school students and insuring student involvement in improving and supporting education. Essential to the new direction for SAE/FTA Chapters to insure that teachers and students work to solve common educational problems.

GAA

There are approximately 100 members in the Girl's Athletic Association. Eight schools belong to the league, and they compete in swimming, basketball, volleyball, softball, and track.

Members must maintain an A or B grade in P.E. to be eligible for one sport a year.

During the year, G.A.A. sponsored two volleyball Sports Nights, two Folk Dance Evenings, an Easter Candy Sale, a Roller Skating Party, and a Sports Award Dessert at the end of the year.

Student Store

The Student Store sells all necessary materials for student use. Gym clothes are also sold there.

It is open from 8:00-8:15 a.m. every morning, during brunch, and A and B lunch.

FACULTY

Superintendent and Board

Two members of the Santa Clara Unified School District Board of Education spent their first full year on the board this year. Peter Talia took his seat in July replacing Ruth Frey who retired. Al Souza, who actually came onto the board late last year, stepped in for the retired William A. Wilson, Sr. Working under the leadership of President Larry Furlow and Vice-President John Anderson, the board this year approved a student non-voting member to the board, adopted a multi-colored logo for the district, among a number of other achievements. Other board members are Maryanne Brooks, Joyce Itatani and Eiichi Sakauye.

Don Callejon, Former principal of Buchser High, handled leadership of the district this year as acting superintendent.

Superintendent: Donald Callejon.

Mr. Ward

"Speak your truth quietly and clearly; and listen to others, even the dull and ignorant; they too have their story."

The English Department emphasizes skills and knowledge in the areas of reading, writing, communication, and evaluation.

The Englishh Department utilizes a quarter system for all freshmen and sophomores in the general program. Other freshmen and sophomores take the basic College Prep program. Every student in the quarter program takes nine weeks of reading, writing, literature, and study skills/oral communication during each of these two years.

A semester system is available during the junior and senior years in which numerous elective courses are open to upper division students. The electives are American Literature, American Novel, Creative Writing, Developmental Writing, Short Story, Remedial Reading, Journalism (War Chants), Publications (Yearbook), Science Fiction, Writing Clinic, Film Literature, Drama, and Public Speaking.

Such courses as Shakespeare, Philosophy, Contemporary Literature, Mythology, Mass Media, Play Reading, and others have also been offered in the past as part of our elective program.

FOREIGN FLAVOR FASCINATING

Left To Right: Mrs. Storm-Mesa, Miss Cohagen, Mr. Tuttle.

Culture is the
widening of the mind
and of the spirit.
—Janaharial Nehru

!Hola! Guten Tag! Bonjour! Ciao!
Salve!

The Foreign Language Department offers fun-filled classes in Latin, Spanish, German, and French, along with a special class which includes Italian. Students travel through a world of activities from the day they first repeat awkward new sounds to the day they achieve a degree of fluency. Dialogues, verbs, questions, skits, role playing, songs, and laughter highlight foreign language studies at Wilcox. Students can also learn of the cultural contributions of other peoples by savoring their cuisine, enjoying their music, and understanding them more. Foreign Language studies offer the Wilcox student a useful tool in an ever shrinking world.

SOCIAL SCIENCES OFFER VARIETY

Left To Right: Mr. Elwell, Mr.Vettel, Mr. LeBlanc, Mr. Molina, Mrs. Harrison. Seated: Mrs. Sonia Martin, Mr. Ward.

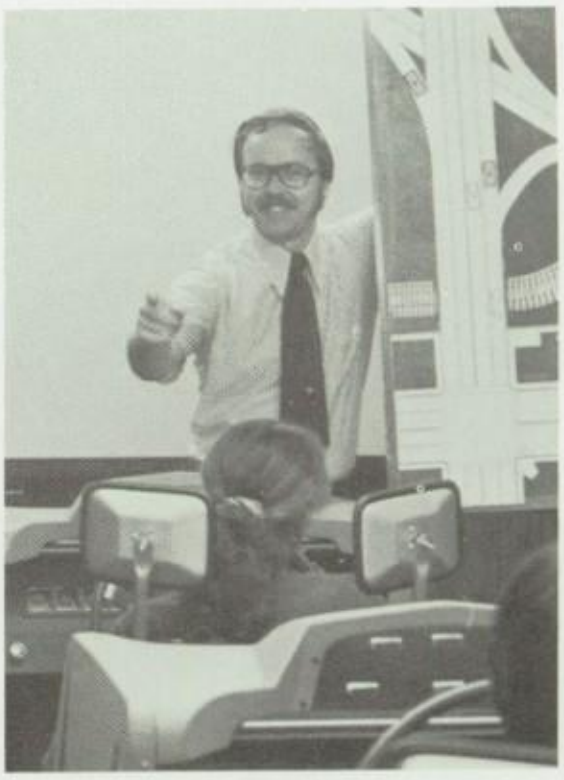
Mr. Williams.

Mr. Lopes.

The Social Studies Department is one of the two largest at Wilcox. Students complete a maximum of seven semesters within this department prior to graduation. Within three broad areas students have considerable choices as to what subjects to take.

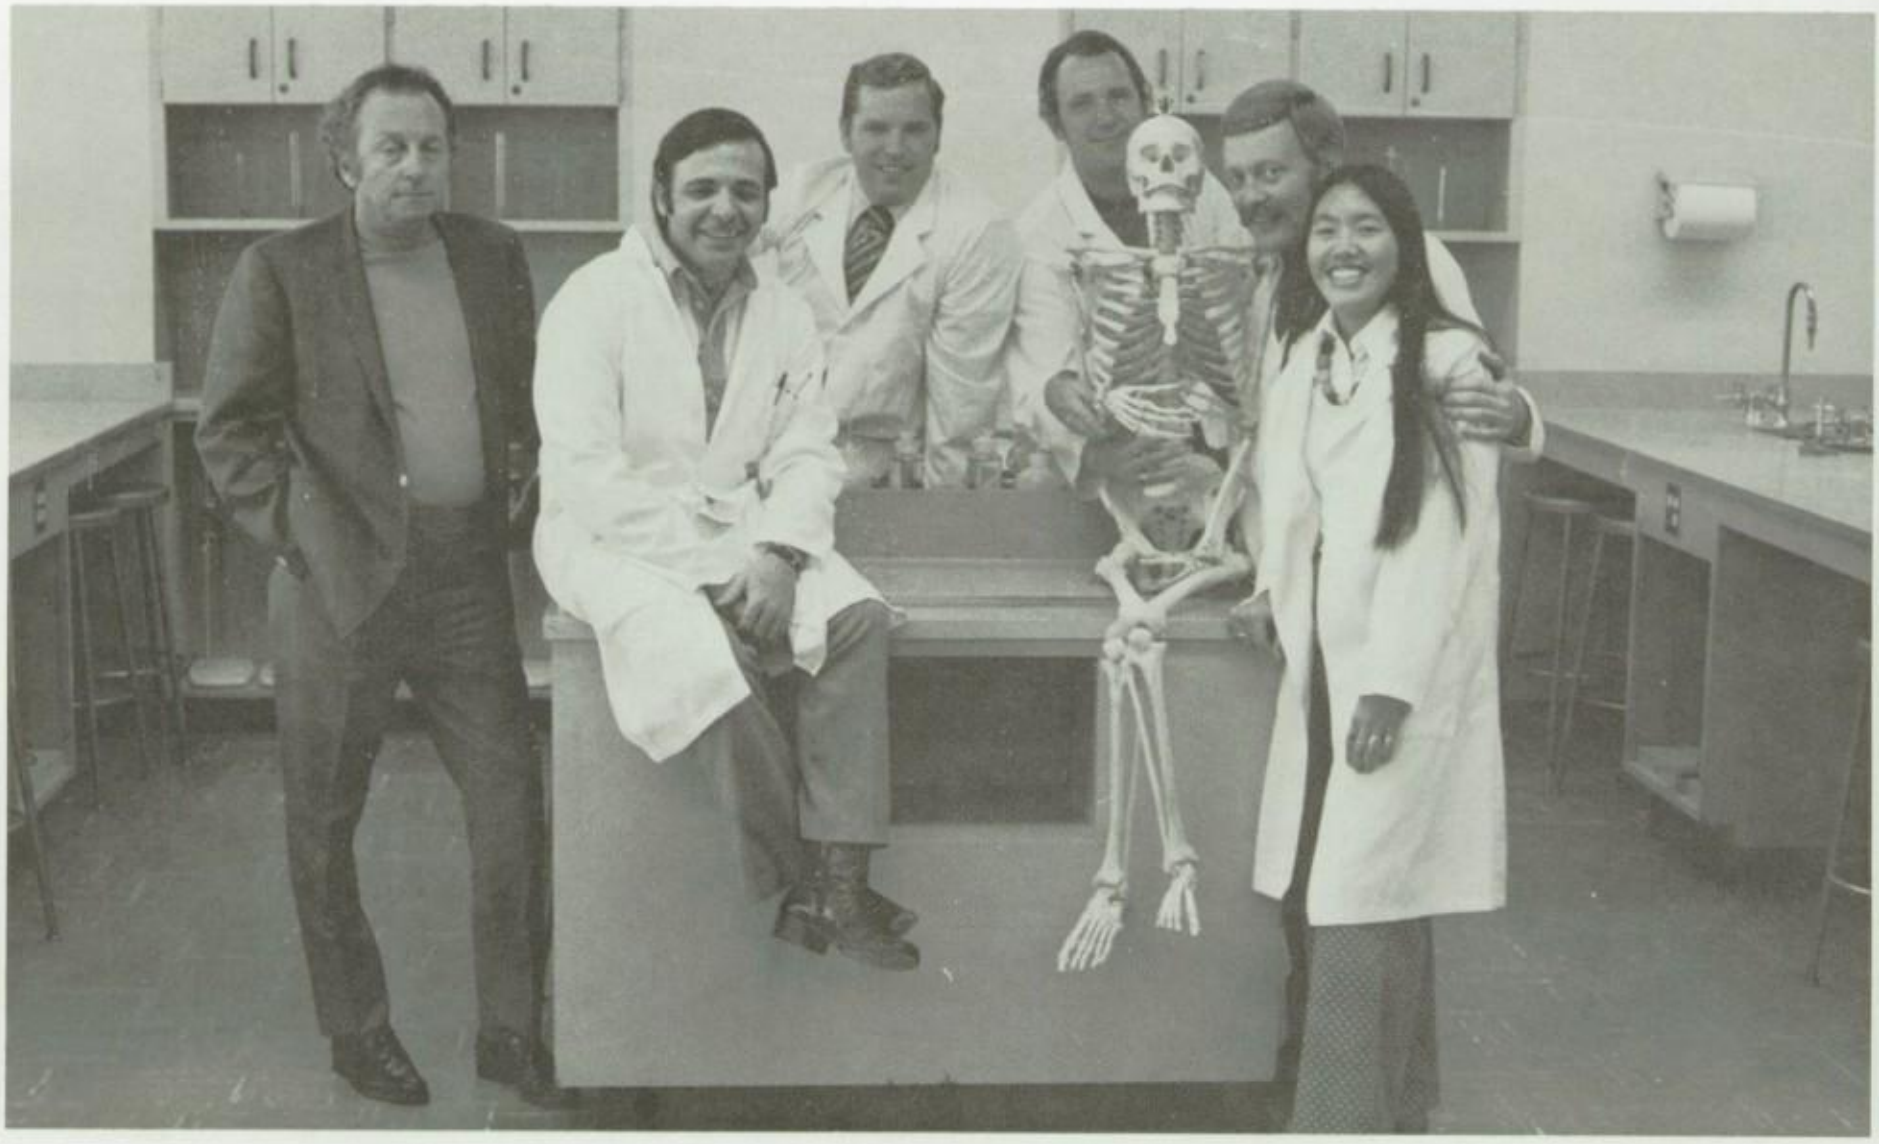
Most freshmen take a two semester class aimed primarily at the study of other places and peoples: World Geography, World History or Emerging Nations. At the junior level most students are in a discussion oriented U.S. History program, although a more traditional program is available for those who prefer it. The Junior year is also the time when most students take a one semester course in Driver Training and Safety Education. All Seniors take a one semester course in American Government and one of these courses: American Problems, Anthropology, Behavioral Science, Ethnic Studies, or Psychology.

Take kindly
the counsel
of the years.



Mr. Myers: Drivers Education.

SCIENCE DEPARTMENT INTRODUCES OCEANOGRAPHY



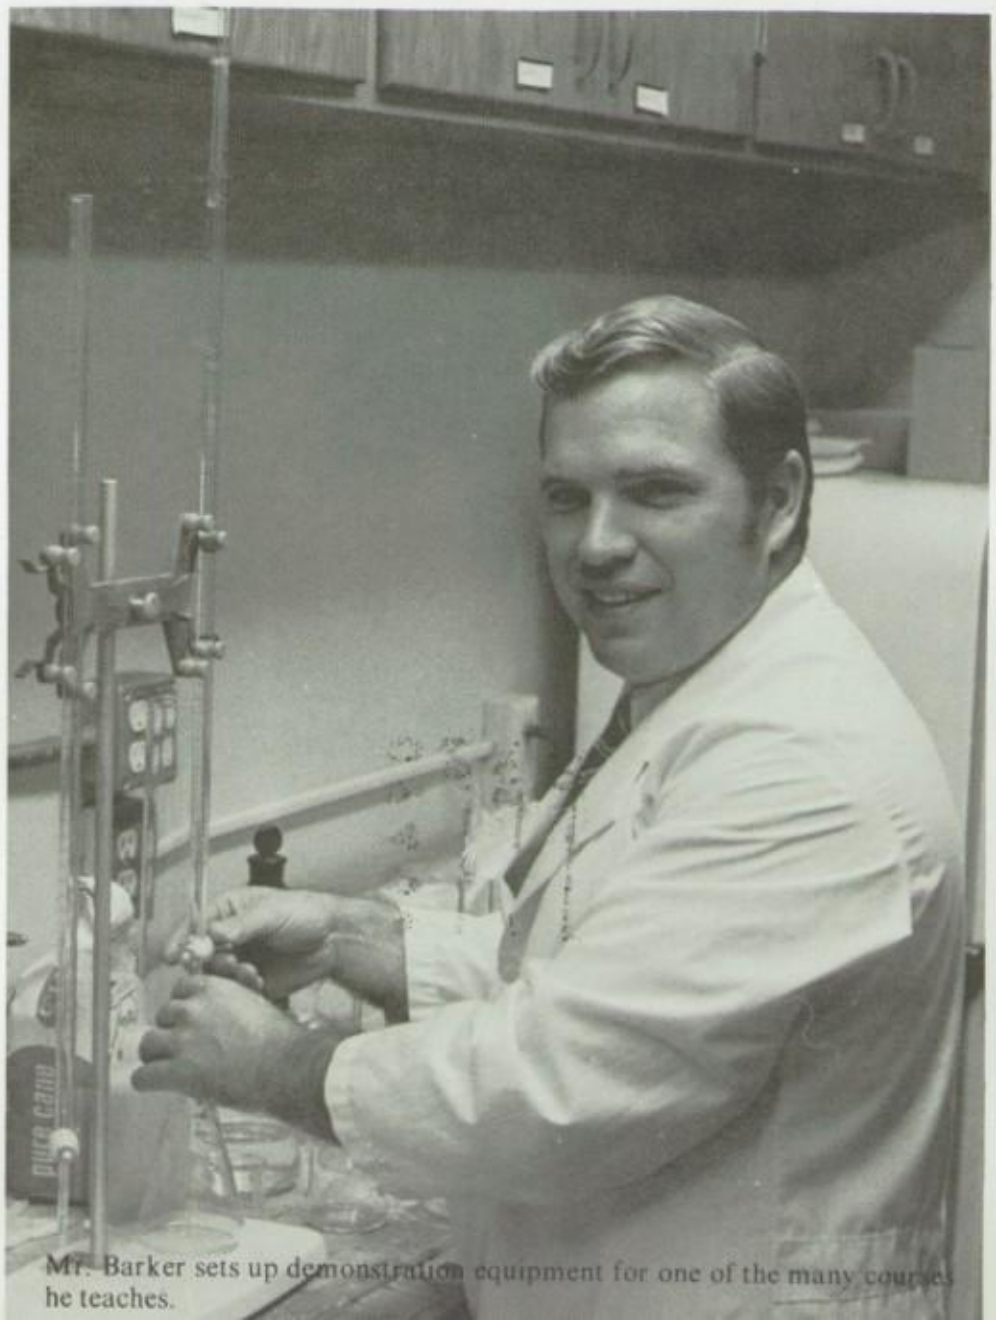
Left To Right: Mr. Bjornstad, Mr. Luchetti, Mr. Barker, Mr. Wherity, Sylvia Skeleton, Mr. Peterson, and Miss Kaneko.

"And whether or not it is clear to you, no doubt the universe is unfolding as it should."

The Science Department offers full year courses in Physiology, Biology I and II, Chemistry, Introduction to Physical Science, and a new course taught for the first time, Oceanography. Semester courses in Life Science and Physical Science are also offered.

Last year the Science Department sponsored a trip for science students to the San Jaun Islands in the state of Washington, and in the three years preceeding, to Baja, Mexico.

This spring was another exciting and educational trip to the Channel Islands off the coast of Santa Barbara, California.



Mr. Barker sets up demonstration equipment for one of the many courses he teaches.

MATH DEPARTMENT OFFERS SOMETHING FOR ALL

Front Row, Left To Right: Mrs. Ragonesi, Mrs. Silcott, Mrs. Bicknell, Mr. F.Johnson, Mr. Holland. Back Row: Mr. Sabin, Mr. Hatling.

Department Head

Mathematics is required for all freshmen students. They may select from the following: General Math, Introduction to Algebra, Algebra I, and in some cases Geometry. Our efforts the past two years have been towards the individualization of the General Math program and the addition of a new elective offering Applied Geometry.

For those students interested in pursuing further studies in mathematics, we offer Algebra I, Geometry, Algebra II, Trigonometry, Math Seminar, and the Opportunity to compete in district, county, and national mathematics contests.

"If you compare yourself with others, you may become vain and bitter; for always there will be greater and lesser persons than yourself."

Miss Carolyn Buehner: Clothing 1,2, Advanced Clothing.

Mrs. Verna Fairbairn: Foods 1, Chefs, Advanced Foods.

Home Economics

The Home Economics Department offers courses in three basic areas: Foods, Clothing and Self-enhancement.

Foods I and Chefs is a semester course open to any student. Upon completion, other semester classes available include variety cuisine, pot-pourri and gourmet cooking. An option of independent study is open to a student completing all of these and wishing additional study.

Clothing I is a year course open to any girl wishing to learn the basic techniques of sewing or to improve previously learned skills. Upon completion of this course she may choose any of the following semester courses: party dress, specialty fabrics and creative stitchery, knit knacks or tailoring. With teacher approval, a student may take the advanced study course.

Self-enhancement is a study in improving yourself physically, mentally and emotionally. We learn the basics of good grooming from head to toe. The skills in hair grooming and setting are practiced. With these skills the student helps prepare herself for a career in cosmetology. Exposure to career opportunities are provided by the teacher and guest speakers.

Miss Vera Cassasanta: Clothing 1, Self Enhancement.

INDUSTRIAL EDUCATION

Mr. William Staffleback: Auto Mechanics

Mr. George Sheets: Metals 1,2,3,4

Mr. Austin Lucero: Electronics 1,2,3,4

Industrial Education is an important part of the Education process at Wilcox. There are five areas offered in the Industrial Department: Auto and Power, Drafting, Electronics, Metals, and Woods. In each of these areas the student has the opportunity to learn about the equipment, the technology, and the various vocations offered in the industrial field.

In all areas the students are very well informed as to the proper procedures for operating equipment, proper protective clothing, and the safety aspects involved. The courses not only train the students for jobs, but are pre-vocational or general knowledge in nature.

Mr. Larry Baumann: Power Mechanics, Woods 1

Mr. Scott Johnson: Woods 1,2

BUSINESS BUILDS SKILLS

Left To Right: Mr. John Soennichsen, Mrs. Kathleen MacDonald, Mrs. Shirley Martin, Mrs. Joanne Brown, Mrs. Joy Olson, Mr. Kenneth Hsu.

The Business Department of Wilcox High School has been proud to offer a variety of programs for both the business student and the non-business student. Whether one is training for employment or merely gaining business knowledge for personal or college use, the Business Department has much to offer. We have maintained 30 sections with an average of 700 to 800 students yearly. Job skills such as shorthand, typing, duplicating, and business machines are invaluable to the student wishing to enter the Office World.

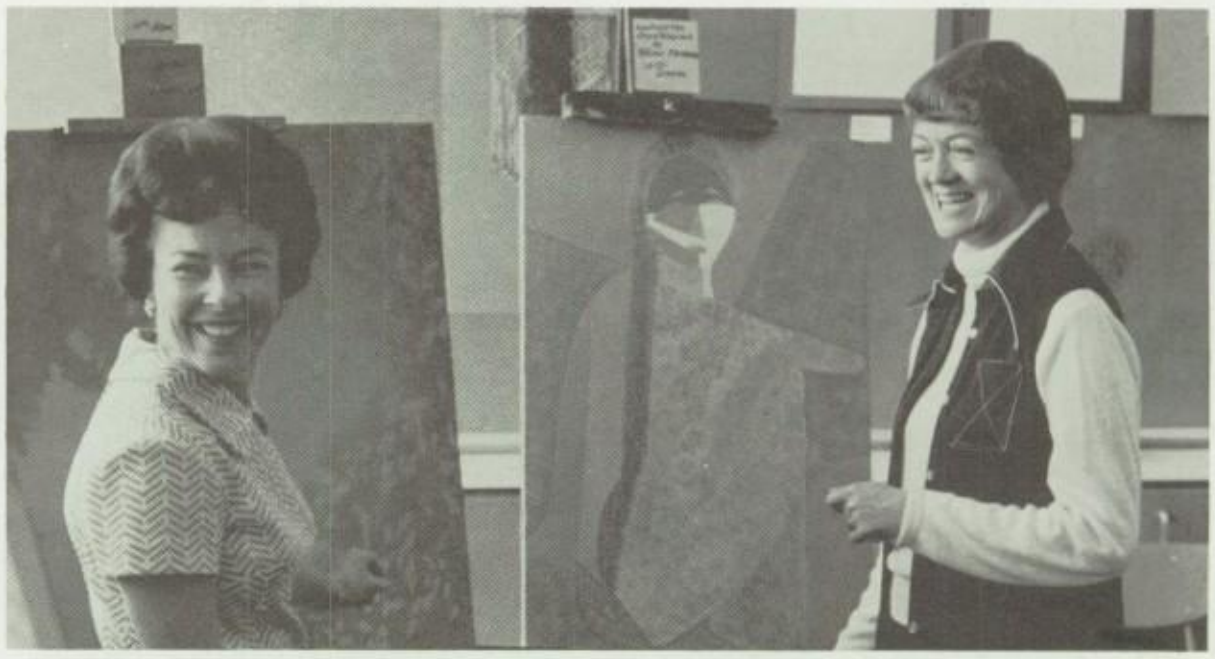
The major programs offered are in the following fields: Accounting, Merchandising, Secretarial, Telephone Operating and Clerical. There are, of course those subjects beneficial to all students: they include Typing, Shorthand, Business English, and Consumer Education.

We hope the Wilcox Business Department can continue to serve Wilcox in the many ways it has thus far; but, especially, to train students to be successful on the job.

Art

The Art Department offers Basic Art, Crafts, Advanced Drawing, Advanced Design, Exploratory Art, and Studio Practice. There are a number of special exhibits throughout the year when students can show and sell their work.

The department also sponsors the Art Club in which students are encouraged to supplement their interest in art.



Left: Mrs. Delayne Rasmussen-Art 1A, Crafts. Right: Mrs. Sandra Russell-Art 1A, Adv. Drawing, Exploratory Art, Studio Practice.

Music

The Music Department is a multi-faceted organization which is involved in nearly every aspect of the school. There are eight separate organizations within the Music Department: Marching Band, Concert Band, Choir, Girl's Glee, Men's Glee, String Orchestra, Guitar, and Stage Band. The department provides music for many school functions including sporting events, Christmas and spring concerts, and several trips each year to hospitals and charitable clubs in the area.

Along with class instruction in choral and instrumental music, each student has the opportunity to study privately with the school staff. Private instruction is offered in voice, guitar, brass, theory, and musicianship, piano, and a variety of related areas— or where there is a desire expressed. Along with regular academic elective classes, the music department maintains a Chamber Choir and Pep Band, and sponsors and directs the annual Warrior Revue. Members of the music department provide music for various club dinners, gatherings, and graduation ceremonies. This is truly a department vital to the life and spirit of Wilcox.

Career Center

The Career Center offers programs which are oriented toward careers, vocations, and jobs. The Center has many pamphlets, films, and slides on the many vocations, professional organizations, and businesses. Guest speakers and college recruiters also come by to talk with students.

There are three main programs offered:

1) Work Experience, an elective course open to Juniors and Seniors who are at least 16 years of age. It is a program in which a student learns basic skills in school and then gains more experience on the job, or where students may be employed in a field unrelated to their school studies. Students are employed at least 10 hours a week at an approved job station. Under this program, students may be releases from school on a part time basis in order to work and also earn grades and credits toward high school graduation.

2) The San Jose Regional Vocational Center is available to Junior and Senior students. The student attends the center either during the morning or the afternoon and earns 30 credits a year. They may choose any one of about 20 different courses. Students attend classes 3 hours a day, 5 days a week.

3) Toll Operator Training Course is a two period semester elective designed to prepare Senior students to become toll operators for the Pacific Telephone Company.

Students are urged to stop by the Career Center for more information about college, career planning, and vocational training.

Mrs. Machado, Miss Coleman

Miss Coleman offers guidance.

GIRLS P.E.

Mrs. Bergna

Left-Mrs. Delay Right-Miss Menacho

The Girl's Physical Education Department offers an elective type program for Sophomores, Juniors, and Seniors. They have a choice of choosing among several team and individual sports such as: baseball, basketball, hockey, swimming, volleyball, badminton, and tennis. Folk, square dancing, modern dance, and gymnastics are included. Any student who qualifies may participate in G.A.A., an after school team organization which competes against other schools. Inter-school games are held throughout the year. There are also sports playdays held periodically. The department sponsors powder-puff football and two sports nights a year in which coed volleyball teams hold a tournament in the gym.

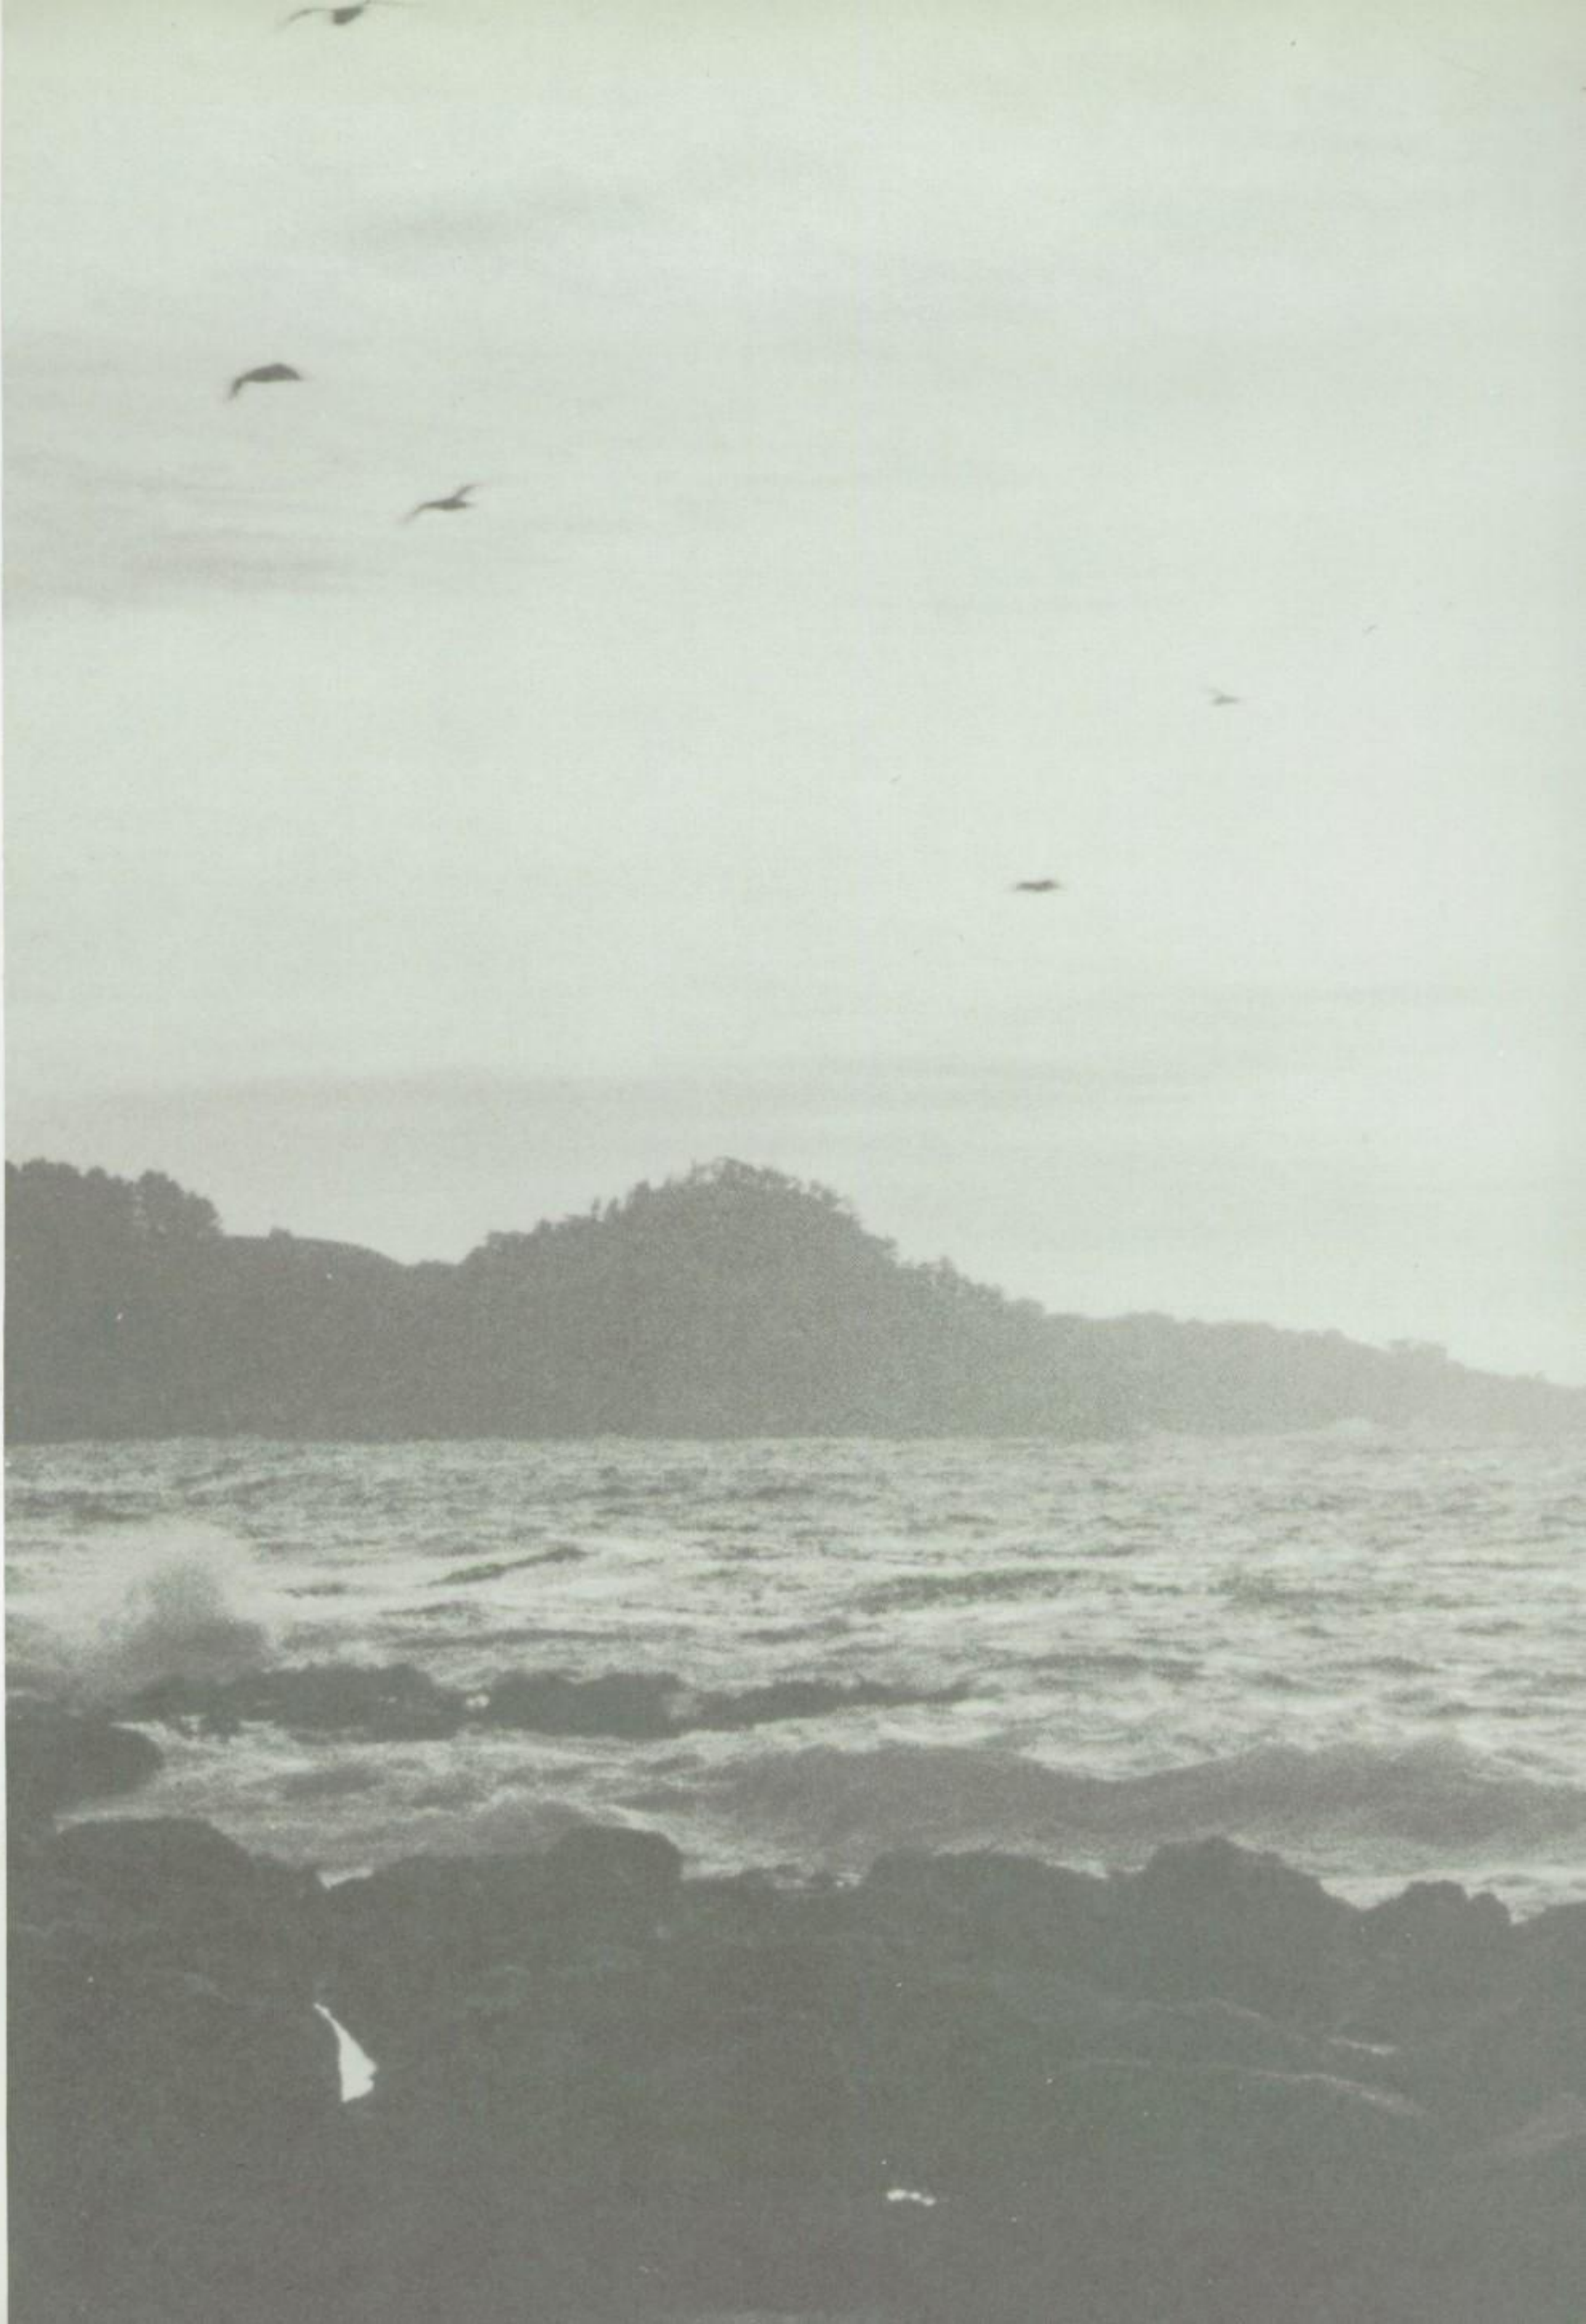
Mrs. Shelton

Front Row: Mr. Sutton, Mr. Louderback. Back Row: Mr. Oullette, Mr. Wagner, Mr. Dunasky.

BOYS P.E.

The Boy's P.E. Department is organized with the Freshman and Sophomore boys assigned to core groups while the Junior and Senior boys select their class from electives. The elective classes offer coed activities such as: volleyball, badminton, golf, tennis, and folk and square dancing as well as a variety of boy's individual and team activities.

A coed adaptive class for students who cannot participate in the regular P.E. classes is also conducted. Junior-Senior life saving, grass volleyball, jogging, circuit training and use of the weight machine are some of the other electives.



UNDERCLASSES

There comes a time in our life
when we do something or refrain
from doing something.

It is at this time we find out
who we really are; that this is
what we have been all our life
and what we always will be.

JUNIORS

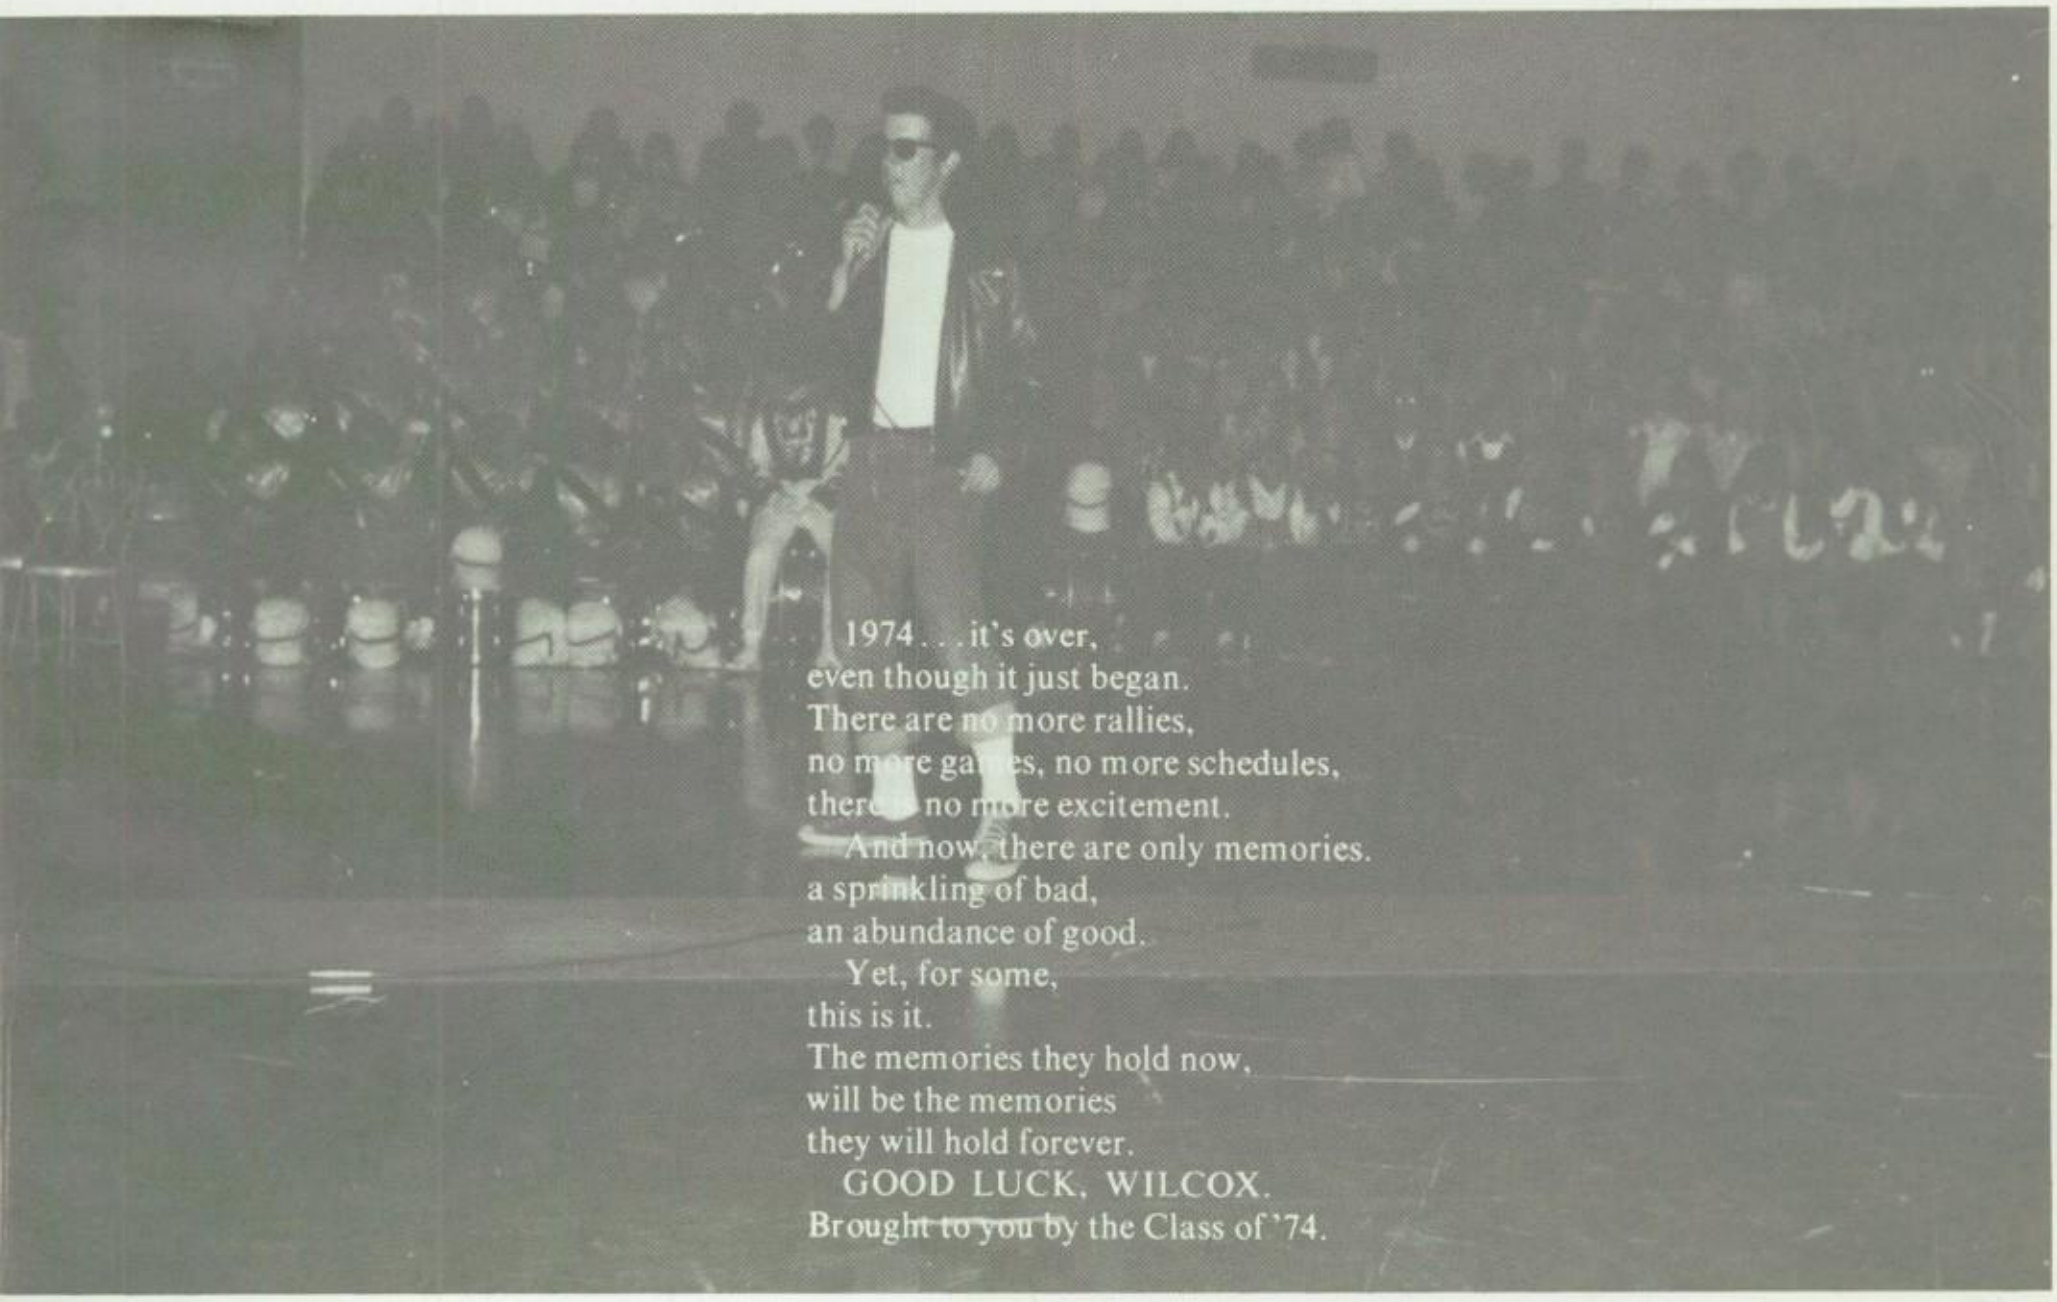
CLASS OF 75



1974 . . . it's over,
even though it just began.
There are no more rallies,
no more games, no more schedules,
there's no more excitement.
And now, there are only memories.
a sprinkling of bad,
an abundance of good.
Yet, for some,
this is it.
The memories they hold now,
will be the memories
they will hold forever.
GOOD LUCK, WILCOX.
Brought to you by the Class of '74.

... And so the end of another year quickly approaches. For the underclassmen it was a year of new discoveries and experiences. For the Juniors it was an all - too - slow year waiting for the moment when they could turn their rings and say, "Now I am a Senior." It was also a time full of events that could make their 11th year of learning a memorable one.

But, for the Seniors — it was a year of both happiness and sadness. A year that, for some, came too quickly, and for others, will not be over quite soon enough. Their Senior year, some thought, would never happen — and some still can't believe it has happened.

As graduation night approaches, the Seniors prepare for what may be, for some, a whole new beginning, and for others, the end of what has been a part of their lives for 12 years now. Some leave with bad memories, but most leave with a mixture of happiness and regret. They are happy that after years of work, play, and a lot of hard study they can find different interests. And, they are filled with regret at having to leave their teachers, friends, and a lot of memories behind.

So, as the Seniors leave Wilcox, the Promethean staff would like to present this book as a representation of the faculty, events, and friends that made 1974 a year to remember. And, to the Class of '74, we leave these words:

"Go placidly amid the noise and haste, and remember what peace there may be in silence.
As far as possible without surrender be on good terms with all persons. Speak your truth quietly and clearly; and listen to others, even the dull and ignorant; they too have their story.
Avoid loud and aggressive persons, they are vexations to the spirit.
If you compare yourself with others, you may become vain and bitter; for always there will be greater and lesser persons than yourself.
Enjoy your achievements as well as your plans.
Keep interested in your career, however humble; it is a real possession in the changing fortunes of time.
Be yourself. Especially do not feign affection. Neither be cynical about love; for in the face of all aridity & disenchantment it is perennial as the grass.
You are a child of the universe, no less than the trees and the stars; you have a right to be here.
Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors and aspirations, in the noisy confusion of life keep peace with your soul.
With all its sham, drudgery, and broken dreams, it is still a beautiful world.
Be careful. Strive to be happy."

My sincere appreciation to all the people responsible for this book. And my special thanks to Mrs. Davidson & the staff — without you, we wouldn't have the 1974 Promethean.
